Cosmopolitan ,1992 **Back from the Future** Judy Angelo,2017-02-14 When the past becomes your future Megan Hailey is a physicist assigned to a very unusual project perfecting the process of traveling through time She s pretty good at what she does but here s the problem her co scientist the lead physicist on this project Carter Kincaid How dare he be so disarmingly handsome that he keeps distracting her and making her mess up When that distraction makes her throw them back into the time of the pirates it is then that she realizes that he s just too much definitely bad for her business She will have to find a way to end this rocky professional relationship and the sooner the better Carter Kincaid has always found working with feisty little Miss Megan Hailey a serious challenge It s bad enough that she s a cute one a co worker he must keep at a distance especially because of the effect she s having on him On top of that though she s not the easiest person to lead rebel that she is always quick to challenge his instructions But then she makes a monumental mistake she throws them five hundred years into the past without the tools to get them back to the present As the pirates of the past put their lives in peril Carter must decide on the depth of his love Would he willingly sacrifice himself to save the life of the woman he secretly loves Before he knows it the question is put to the test Which is more important your life or your love It is now time to find out *ENDLESS LOVE, ROMANCE , AND INTIMACY* Bukenya Siraje, As a society we are embarrassed by love We treat it as if it were an obscenity We reluctantly admit to it Even saying the word makes us stumble and blush Love is the most important thing in our lives a passion for which we would fight or die and yet we re reluctant to linger over its names Without a supple vocabulary we can t even talk or think about it directly As the title *ENDLESS LOVE ROMANCE AND intimacy* indicates we want to live in a culture where love can flourish We yearn to end the lovelessness that is so pervasive in our society This book tells us how to return to love *ENDLESS LOVE ROMANCE AND intimacy* provides radical new ways to think about the art of loving offering a hopeful joyous vision of love s transformative power it lets us know what we must do to love again Gathering love s wisdom it lets us know what we must do to be touched by love s grace *THERE ARE NOT* many public discussions of love in our culture right now At best popular culture is the one domain in which our longing for love is talked about Movies music magazines and books are the place where we turn to hear our yearnings for love expressed Yet the talk is not the life affirming discourse of the sixties and seventies which urged us to believe All you need is love Nowadays the

most popular messages are those that declare the meaningless of love its irrelevance A glaring example of this cultural shift was the tremendous popularity of Tina Turner's song with the title boldly declaring What's Love Got to Do with it I was saddened and appalled when I interviewed a well known female rapper at least twenty years my junior who when asked about love responded with biting sarcasm Love what's that have never had any love in my life Youth culture today is cynical about love And that cynicism has come from their pervasive feeling that love can not be found Expressing this concern in When All You've ever Wanted isn't Enough Harold Kushner writes I am afraid that we may be raising a generation of young people who will grow up afraid to love afraid to give themselves completely to another person because they will have seen how much it hurts to take the risk of loving and have it not work out I am afraid that they will grow up looking for intimacy without risk for pleasure without significant emotional investment They will be so fearful of the pain of disappointment that they will forgo the possibilities of love and joy Young people are cynical about love Ultimately cynicism is the great mask of the disappointed and betrayed heart When I travel around the nation giving lectures about ending racism and sexism audiences especially young listeners become agitated when I speak about the place of love in any movement for social justice

Top Agent Aurelia Hilton, 2019-04-10 I've never had much luck with love I thought that I'd found someone perfect Sheila was the most beautiful voluptuous woman on campus We met by chance then it was 6 years of bliss There was just one problem I was insecure Don't get me wrong there's nothing wrong with me I can please a woman with the best of them But when Sheila would go out she was constantly bombarded with guys begging her to date them She was so perfect and I was so afraid to lose her I never made any moves to further the relationship because of this Then she left me Sheila left me for another man because I was too scared to propose That was my mistake I did some crazy things to stop the pain When I finally came out of my heartbreak I went after the dream I'd had before Sheila I started my own business Hopefully I'd meet someone even better than her I would treat her better too Basically I was a talent scout I sought out beautiful women and helped them find jobs in the media industry all legal stuff But all that would change on the day I got a call from a film producer But this guy he didn't do just any kind of films The actresses he wanted would need a much exotic set of skills Now when I interview women it's different than before They used to sit in front of my desk now they end up on my desk Every day I meet sensual women of all shapes and sizes In a line of work where we all have to play fast and loose will I ever find love

WARNING This book is part of Aurelia Hilton's hot sexy steamy romance novel Things will get hot steamy Find out what happens when a man craves love because it's hot
