Podcasting in a Platform Age John L. Sullivan, 2024-01-25 *Podcasting in a Platform Age* explores the transition underway in podcasting by considering how the influx of legacy and new media interest in the medium is injecting professional and corporate logics into what had been largely an amateur media form Many of the most high profile podcasts today however are produced by highly skilled media professionals some of whom are employees of media corporations Legacy radio and new media platform giants like Google Apple Amazon and Spotify are also making big and expensive moves in the medium by acquiring content producers and hosting platforms This book focuses on three major aspects of this transformation formalization professionalization and monetization Through a close read of online and press discourse analysis of podcasts themselves participant observations at podcast trade shows and conventions and interviews with industry professionals and individual podcasters John Sullivan outlines how the efforts of industry players to transform podcasting into a profitable medium are beginning to challenge the very definition of podcasting itself **Weekly World News**, 1988-03-01 Rooted in the creative success of over 30 years of supermarket tabloid publishing the *Weekly World News* has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site
