the Star Trek universe exemplifies an approach to storytelling that has been perennial across cultures Instead he finds that what limits creativity within franchises is not their reliance on the familiar but their status as modern myths held not as common cultural heritage but rather owned as corporate intellectual property Retail e book files for this title are screen reader friendly with images accompanied by short alt text and or extended descriptions *Annie, Get Your Guy and Messing Around With Max* Lori Foster,2010-12-27 It s hard to get serious when your one and only won t take you seriously Annie Get Your Guy Lori Foster What was a woman supposed to do Guy Donovan had always treated Annie Sawyers like a little sister But Annie already had a brother what she wanted was a husband Guy to be precise So when he announced his plans to get engaged to the wrong woman Annie set out to seduce him Which would have been a lot easier if Guy wasn t playing hard to get Messing Around With Max Lori Foster His love life was going to the dogs Max Sawyers would do anything for his mangy bad tempered mutt Cleo he d even give up his footloose lifestyle and take a wife The trouble was the only woman Cleo had ever taken a liking to was Maddie Montgomery And Maddie was also the only woman on the planet who didn t want to snag Max permanently Television's Streaming Wars Arienne Ferchaud,Jennifer M.
