Populism and Professional Wrestling in the Sunbelt South Christopher L. Stacey, 2023-12-06 Populism and Professional Wrestling in the Sunbelt South From Rasslin to Sports Entertainment traces the history of professional wrestling in the South within the Trans Mississippi Region between the 1950s 1990s Examining professional wrestling through the lens of kayfabe also known as the perception of the realism and the suspension of disbelief among fans this book discovers that the dissolution of kayfabe occurred simultaneously with significant political social and cultural events in Southern history including the Civil Rights Movement and technological and economic modernity Christopher L Stacey determines that the same political social economic and cultural forces of modernity in the Sunbelt South reflected a new form of southern and national populism embedded within the professional wrestling industry New forms of populism were reflected within characters storylines gimmicks and angles of several territories in the Trans Mississippi region Through autobiographies biographical information and shoot interviews Stacey provides a closer look into the business of professional wrestling during the mid twentieth century and how it connects to racial gender class and national identity

News with a View Burton St. John III, Kirsten A. Johnson, 2014-01-10 Modern mainstream journalism faces a very real disturbance of its foundational premise that credible news is gathered and articulated from an objective stance This volume offers new examinations of how the traditional notion of objectivity is changing as professional journalists grapple with a rapidly evolving news terrain one that has become increasingly crowded by those with no journalistic credentials Examining historical antecedents current dilemmas international aspects and theoretical considerations contributors make the case that the journalist s impulse to hold onto objectivity and to ignore the increasing subjectivities to which citizens are attuned actually contributes to the news media s disconnect from today s news consumer Revealing how traditional journalism needs to incorporate post objective stances these essays stimulate further thought and conversation about news with a view in both theory and practice
