Keifer,2022-09-26 The ubiquity of gluten containing grains such as barley wheat and rye in modern day brewing has prevented many potential consumers from fully enjoying the craft beer revolution Individuals who have celiac disease nonceliac gluten intolerance or gluten sensitivity as well as those who simply feel better when they avoid gluten have

historically been unable to enjoy today's characterful beers. But many other types of grain can be used to brew beer of all styles such as alternative grains greatly expand the options available to beer lovers and brewers who cannot or choose not to ingest gluten or those who just want to experiment with new and interesting flavors. Gluten Free Brewing includes a discussion of available gluten free ingredients, how to source them and how to malt them. Explore the world of ancient grains and adjuncts and learn how today's malted and roasted varieties can be used to brew to style beers. Learn about different mashing techniques when to use them, what additional ingredients and enzymes can help throughout the brewing process and how they can deliver specific flavors in your beer. Take a deep dive into recipe formulation and fermentation challenges as well as flavor body head retention and color considerations when using these not so alternative grains to create mainstream flavors. More than 30 tested recipes are included to help brewers explore British, German, Belgian, New World and ancient style beers. Gluten Free Brewing will teach you how to brew full flavored world class gluten free beers. *Sally's Candy Addiction* Sally McKenney, 2015-08-10 Sally's Candy Addiction is jam packed with 75 brand new homemade sweets complete with easy to follow recipes and stunning photography.
