on Science, Technology, and Space,1984 Game of Privilege Lane Demas,2017-09-11 This groundbreaking history of African Americans and golf explores the role of race class and public space in golf course development the stories of individual black golfers during the age of segregation the legal battle to integrate public golf courses and the little known history of the United Golfers Association UGA a black golf tour that operated from 1925 to 1975 Lane Demas charts how African Americans nationwide organized social campaigns filed lawsuits and went to jail in order to desegregate courses he also provides dramatic stories of golfers who boldly confronted wider segregation more broadly in their local communities As national civil rights organizations debated golf s symbolism and whether or not to pursue the game s integration black players and caddies took matters into their own hands and helped shape its subculture while UGA participants forged one of the most durable black sporting organizations in American history as they fought to join the white Professional Golfers Association PGA From George F Grant s invention of the golf tee in 1899 to the dominance of superstar Tiger Woods in the 1990s this revelatory and comprehensive work challenges stereotypes and indeed the fundamental story of race and golf in American culture **Recarving Rushmore** Ivan Eland,2014-10-01 Who were the best and worst U S presidents In the past when historians and scholars have rated the presidents their evaluations often have been based on individual charisma activism and service during periods of crisis Taking a distinctly new approach in Recarving Rushmore Ivan Eland profiles each U S president from Washington to Obama on the merits of his policies and whether those strategies contributed to peace prosperity and liberty This ranking system is based on how effective each president was in fulfilling his oath to uphold the Constitution Contrary to the preferences of modern conservatives and liberals this oath was intended to limit the role of the federal government Readers will be intrigued to discover why of the four men given exalted representations on Mount Rushmore only Washington deserves the honor They will learn why Teddy Roosevelt has been overrated why Jefferson hypocritically violated his lofty rhetoric of liberty and why Lincoln provoked a civil war that achieved far less than believed Readers will uncover why some presidents are rated much higher than the conventional wisdom for example Warren Harding and some rank much lower for example Harry Truman As for more modern U S chief executives Republicans will be astounded to learn that Nixon was the last liberal president and that Reagan wasn t all that conservative Democrats will be amazed to learn that Clinton was in some respects more conservative than George W Bush and why both Obama and Bush are ranked as bad Readers will learn why the author goes against the grain and anoints Eisenhower and Carter as the two best modern presidents *The Greatest Survival Stories of All Time* Cara Tabachnick,2019-07-23 This collection of survival stories recounts the harrowing true experiences of people across the globe who faced certain death and survived The stories in this riveting volume seem too unbelievable to be true Lost individuals facing the most severe natural disasters the most dangerous situations and the most inhospitable conditions somehow making it out alive From plane crashes and sinking ships to surviving in freezing forests and scorching deserts this anthology includes some of the most famous unbelievable tales of

beating the odds This book features gripping tales of sheer bravery and quick thinking including Julianne Koepcke the sole survivor of a plane crash in the Peruvian Amazon Jose Salvador Alvarenga who floated for thirteen months alone in the Pacific ocean Aron Ralston who cut off his arm to escape the canyon he d been trapped in Lincoln Hall who was abandoned on Mount Everest and many more *How to Make an IMPACT* Jon Moon,2007-12-06 Everyone can produce brilliantly clear work that has incredible impact if only they know how In this new book Jon Moon offers a practical comprehensive route map which will enable managers to make their documents and slides impactful informative and inviting so that the information they are presenting is understood and acted upon The book also introduces Moon s alternative approach to the ubiquitous bullet point WiT a simple yet powerful way of visually lifting ideas from the page and giving impact to the message

Creative Brand Naming Strategies Purnima Embranthiri,2025-02-20 What makes a brand successful It s a complex question with many answers but one factor stands out clarity Successful brands share a clear message and a distinct point of difference In the intricate world of business and marketing where economic factors and human judgments create a fog clarity becomes crucial A brand must have a consistent and easily identifiable message even if it diversifies its products Branding is the language of business and despite the challenging decisions behind it a brand should always speak clearly to the market Consumers make quick decisions often in seconds unlike brand managers To win them over communication must be crystal clear Branding is akin to writing as William Wordsworth said Every great and original writer must himself create the taste by which he is to be relished This book explores the principles and practices of creating clear impactful brand names that resonate with consumers ensuring that your brand stands out in a saturated market **Billboard** ,2010-04-03 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Computerworld ,1994-10-17 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld s award winning Web site Computerworld com twice monthly publication focused conference series and custom research form the hub of the world s largest global IT media network **American Engineer and Railroad Journal** ,1894 *Trade in services and e-commerce* United States.
