Getting at Jesus Peter S. Williams, 2019-01-29 Portraying themselves as challenging blind religious dogma with evidence led skepticism the neo atheist movement claims that the New Testament contains unreliable tales about a mythical figure who far from being the resurrected Lord of life may not even have lived This comprehensive critique documents the falsehood of these neo atheist claims correcting their historical and philosophical mistakes to show how we can get at the truth about the historical Jesus **The British Study Edition of the Urantia Papers Book [eReader PDF]** Edited by Tigran Aivazian, 2011-01-01 The British Study Edition of the Urantia Papers is based on the standard SRT text but uses the metric system and adds a critical apparatus of textual variants and study notes **Satan Exposed** William P. Payne, 2019-07-16 Spiritual warfare is not a church fad Rather it is the rediscovery of biblical Christianity Furthermore one will not grasp what the Bible teaches until one comprehends what it affirms about spiritual warfare In truth spiritual warfare permeates the entire Bible When one learns to read the Scriptures through the lens of spiritual warfare one will discern the mission of God understand the kingdom of God and be able to participate in the work of God As a professional theologian seminary professor and spiritual warfare practitioner Bill Payne believes that the church will not make disciples of all nations Matthew 28 18 20 until it operationalizes what the Bible teaches about spiritual warfare As it orients the reader to the spiritual warfare mandate Satan Exposed tackles the difficult passages of Scripture In short this book will change how you read the Bible how you understand reality and how you do ministry A Universe From Someone Peter S. Williams, 2022-10-27 After a substantial author s preface recounting Peter S Williams s life journey with the question of God s existence A Universe From Someone pulls together essays and opening speeches from debates including the 2011 God is not a delusion debate at the Cambridge Union that jointly cover a wide variety of theistic arguments Together with a foreword by noted philosopher J P Moreland an annotated bibliography highlighting Four Dozen Key Resources on Apologetics and Natural Theology in an Age of Science and other recommended resources A Universe From Someone offers an informed overview of the contemporary case for God Jesus: A New Understanding of God's Son Joseph F. Girzone, The Jesus Inquest Charles Foster, 2011-01-10 Charles Foster thought he knew the familiar story of the resurrection of Jesus He thought Christianity rested on sound historical foundations But could he be wrong Could Christianity be built on a terrible mistake or downright lie As nagging doubts began to surface Foster turned to countless Christian books to find comfort and proof But all he found were more questions What began as a personal quest for reassurance quickly turned into an in depth examination of the most astounding historical claim of all time He crawled through Jerusalem tombs dusty libraries and the recesses of his own mind in search of an answer He turned the war in his head the war between faith and doubt into this heated no holds barred debate which presents the case both for and against the resurrection of Jesus The Jesus Inquest takes you through medical evidence Jewish burial practices archaeological hypotheses maps ancient artifacts the canonical and non canonical

gospels biblical criticism and much more providing an unbiased examination of the facts of the case A practicing trial attorney and University of Oxford academic Charles Foster vigorously argues both sides of the issue presenting information in compelling courtroom style and leaving no hard question unaddressed The Jesus Inquest gives readers the tools necessary to debate the most remarkable and controversial event of world history a debate so crucial and fascinating it cannot be ignored
