Reimagining Christianity and Sexual Diversity in Africa Adriaan van Klinken, 2021-12-01 A much needed exploration of the queer positive approaches Emerging within African Christianity **Walking the Tightrope** Harmata Aboubakar, 2018-07-24 Walking the Tightrope is a collection of poems and personal thoughts on the author's relatable experiences of walking through life on a tightrope The book is divided into 6 different sections Perspectives Into The Abyss Balancing Act Barbed Wire Beating Heart and On The Horizon The topics and themes include Perceptions pain childhood racism discrimination injustice fear family love hope life dreams and more Author's note Poetry is a therapeutic outlet for me to express and make sense of my thoughts and feelings as well as to help me grow I hope that at least one person out there can benefit from these pieces and realize that they aren't alone on this tightrope called Life We just need to take one step at a time Tightrope Walking Dimitris Troaditis, 2017 Tightrope Walker Geri Radacsi, 2007 Walking My Tightrope Connie M. Ford, **When I Learned how to Walk** Monica Macharia, 2020 Tightrope Horizon Ross Donlon, 2003-01

The Tightrope Walker Charles R. Campbell, William Bippes, 198? Song of the Broken String Stephen Watson, 1991-12 The Xam Bushmen hunters gatherers some poets among them were a stone age people who survived nearly 5 000 years in the region now known as the Cape Province of South Africa By the turn of this century they had completely disappeared destroyed finally by the murderous European settlement of the interior Song of the Broken String has its provenance in the oral tradition of this ancient culture In the 1860s a German linguist named W H Bleek became aware of the genocide in progress Taking into his service three Xam Bushmen he found working as convict laborers in a chain gang he set about preserving a small part of their heritage After devising a phonetic notation of the Xam's language he transcribed the personal narratives songs and folktales of these three men and translated them into English Housed in an archive at the University of Cape Town the 12 000 pages of the Bleek and Lloyd Collection are all that remains of this people and their language Stephen Watson a contemporary South African poet has explored this archive re translating Bleek's word for word English prose into poems in which something of the power of those original voices lives on however filtered through the 19th century ethnographer and the 20th century writer The results not only offer a path into a powerful oral tradition but also raise questions about the ways in which we listen to and translate cultures that are distant or lost Song of the Broken String does not bring back the Xam it is not a collection of artifacts Something survives here that is almost monumental certainly beautiful Stephen Watson a contemporary South African poet and writer has explored this archive re translating Bleek's word for word English prose into poems in which the power of these original voices would live on However filtered through the 19th century ethnographer and the 20th century writer poetry seemed the obvious form for this dialogue The results not only offer a way into a powerful oral tradition but also raise questions about the ways in which we listen to and translate cultures that are distant or lost cultures in whose fate we are somehow complicit Song of the Broken String does not bring

back the Xam but it makes their ghosts vital presences in our own literary tradition
