The Myth of the Community Fix Sarah D. Cate, 2023 A detailed examination of the limitations and pitfalls of pursuing the community based reform movement in the American criminal justice system As the extent of America s mass incarceration crisis has come into sharper view politicians activists and non profit foundations from across the political spectrum have united around community based reforms Many states are pursuing criminal justice reforms that aim to move youth out of state run prisons and into community based alternatives as a way of improving the lives of youth caught in the juvenile justice system In *The Myth of the Community Fix* Sarah D Cate demonstrates that rather than a panacea community based juvenile justice reforms have resulted in a dangerous constellation of privatized institutions with little oversight Focusing on case studies of three leading states for this model of reform Texas California and Pennsylvania Cate provides a comprehensive look at the alarming on the ground consequences of the turn towards community in an era of austerity Although often portrayed as a break with past practices this book documents how community based reforms are the latest in a long line of policy prescriptions that further individualize the problem of delinquency bolster punitiveness and reduce democratic accountability Through contextualizing the community based reform movement as part of the broader shift away from the centralized provision of public goods in the United States Cate shows why those committed to addressing the problems of mass incarceration should be wary of the community fix

Social Protection After the Crisis Steve Tombs, 2017-03-15 This topical book considers the economic political and social consequences of the economic crisis the nature of social protection and the dynamics of the current crisis of regulation It is unique in documenting how economic and social welfare are inconsistent with corporate freedom

Global Capitalism, Global War, Global Crisis Andreas Bieler, Adam David Morton, 2018-05-17 This book assesses the forces of social struggle shaping the past and present of the global political economy from the perspective of historical materialism Based on the philosophy of internal relations the character of capital is understood in such a way that the ties between the relations of production state civil society and conditions of class struggle can be realised By conceiving the internal relationship of global capitalism global war global crisis as a struggle driven process the book provides a novel intervention on debates within theories of the international Through a set of conceptual reflections on agency structure and the role of discourses embedded in the economy class struggle is established as our point of departure This involves analysing historical and contemporary themes on the expansion of capitalism through uneven and combined development the role of the state and geopolitics and conditions of exploitation and resistance These conceptual reflections and thematic considerations are then extended in a series of empirical interventions including a focus on the rising powers of the BRICS conditions of the new imperialism and the ongoing financial crisis The book delivers a radically open ended dialectical consideration of ruptures of resistance within the global political economy
