Brexit and Beyond: Nation and Identity Daniela Keller, Ina Habermann, 2021-03-08 This volume explores the cultural significance of Brexit situating it in debates about nation and identity Contributors to this collection seek to contextualize Britain's decision to leave the EU and to assess its reverberations in language literature and culture Addressing such aspects as British exceptionalism myth making medievalism and nostalgia contributions range from travelogues Ladybird books and rural cinema going to ageing An important focus lies on marginalized groups and geographical fringes as contributors attend to the Irish situation and the scarcity of EU migrants in Brexit literature BrexLit Finally two essays widen the perspective to assess American parallels to the discourses about a Brexit that is still far from done

The Afro-Latino Memoir Trent Masiki, 2023-08-29 Despite their literary and cultural significance Afro Latino memoirs have been marginalized in both Latino and African American studies Trent Masiki remedies this problem by bringing critical attention to the understudied African American influences in Afro Latino memoirs published after the advent of the Black Arts movement Masiki argues that these memoirs expand on the meaning of racial identity for both Latinos and African Americans Using interpretive strategies and historical methods from literary and cultural studies Masiki shows how Afro Latino memoir writers often turn to the African American experience as a model for articulating their Afro Latinidad African American literary production expressive culture political ideology and religiosity shaped Afro Latino subjectivity more profoundly than typically imagined between the post war and post soul eras Masiki recovers this neglected history by exploring how and why Black nationalism shaped Afro Latinidad in the United States This book opens the border between the canons of Latino and African American literature encouraging greater intercultural solidarities between Latinos and African Americans in the era of Black Lives Matter

Masculinities and Literary Studies Josep M. Armengol, Marta Bosch Vilarrubias, Àngels Carabí, Teresa Requena, 2017-02-03 If much of the existing masculinity scholarship has traditionally been grounded in a specific discipline this project provides an innovative methodological approach to the subject of literary masculinities by proving the applicability of interdisciplinary masculinity scholarship namely sociology social work psychology economics political science ecology etc to the literary analysis bridging the traditional gap between the Social Sciences and the Humanities in radically new and profound ways
