**The Politics of Fiscal Federalism** Adam Harmes, 2019-05-13 What does federalism have to do with the political struggle between conservatives and progressives over economic policy How do economic theories of fiscal federalism influence European North American and global forms of governance In the first comprehensive account of the left right politics of multilevel governance across federal regional and global levels Adam Harmes identifies both free market and interventionist political projects related to fiscal federalism Harmes argues that these political projects and the interests that promote them explain a diverse range of phenomena across national contexts across levels of governance and over time This

includes the left right dynamics of US and Canadian federalism the free market origins of British euroscepticism and the Brexit vote the complex politics behind the NAFTA renegotiations and the emergence of both populist and progressive challenges to global free trade A highly accessible outline of fiscal federalism theory The Politics of Fiscal Federalism also expands upon the broader value and policy differences between neoliberal classical liberal and Keynesian welfare economics on issues such as the role of the state subnational and global trade economic nationalism and monetary integration This original and innovative work demonstrates that a political economy approach is essential to the study of federalism and why federalism and multilevel governance is a critical area of study for political economists **The Power of Character in**

**Leadership** Myles Munroe, 2014-01-01 How to Protect Your Leadership Influence and Power You've worked hard to achieve your dreams and goals Many others have done the same only to lose it all in the end Every day we read about successful people in various walks of life who have lost their power and influence They've been fired forced to resign or shamed out of public life They no longer have a market for their gifts and they may even face criminal proceedings These leaders have lost the trust of their companies constituents nations followers and families Many were surprised to discover that their talents alone were not enough to prevent their downfall Why did they fail in the end Because they lacked the one quality that would have protected their leadership and given them enduring influence Ironically this quality is seldom taught to leaders today either formally or informally It is the quality of moral force or character Every human being is a leader over some domain as he or she exercises gifts and influence That domain might be the halls of government the boardroom the classroom the community or the home In *The Power of Character in Leadership* How Values Morals Ethics and Principles Affect Leaders you will discover what character is what it means to develop moral force and how to preserve your leadership influence so that it is both effective and enduring *The Charleston Advisor*, 2003 *Who's Who of American Women, 1997-1998* Marquis Who's Who, [Anonymus AC01783920], 1996-12 WHO'S WHO OF AMERICAN WOMEN is the one essential reference to depend on for accurate detailed facts on American women of achievement This new edition includes in depth biographical profiles of prominent accomplished women
