Scattered and Gathered Sadiri Joy Tira, Tetsunao Yamamori, 2020-07-31 The twenty first century is marked by mass migration Massive population movements of the last century have radically challenged our study and practice of mission Where the church once rallied to go out into the regions beyond Christian mission is currently required to respond and adapt to missions around As a result leaders in this field have been developing diaspora missiology to provide a missiological framework for understanding and participating in God s redemptive mission among peoples living outside their places of origin In this volume experts in diaspora missiology from across the globe analyze the development of missions to migrants and add to our understanding of the contemporary church s opportunities and responsibilities for mission amongst diaspora groups

Information Industry Directory, 2009 Comprehensive directory of databases as well as services involved in the production and distribution of information in electronic form There is a detailed subject index and function service classification as well as name keyword and geographical location indexes

Valley of the Guns Eduardo Obregón Pagán, 2018-10-11 In the late 1880s Pleasant Valley Arizona descended into a nightmare of violence murder and mayhem By the time the Pleasant Valley War was over eighteen men were dead four were wounded and one was missing never to be found Valley of the Guns explores the reasons for the violence that engulfed the settlement turning neighbors families and friends against one another While popular historians and novelists have long been captivated by the story the Pleasant Valley War has more recently attracted the attention of scholars interested in examining the underlying causes of western violence In this book author Eduardo Obregón Pagán explores how geography and demographics aligned to create an unstable settlement subject to the constant threat of Apache raids The fear of surprise attack by day and the theft of livestock by night prompted settlers to shape their lives around the expectation of sudden violence As the forces of progress strained natural resources conflict grew between local ranchers and cowboys hired by ranching corporations Mixed race property owners found themselves fighting white cowboys to keep their land In addition territorial law enforcement officers were outsiders to the community and approached every suspect fully armed and ready to shoot The combination of unrelenting danger its accompanying stress and an abundance of firearms proved deadly Drawing from history geography cultural studies and trauma studies Pagán uses the story of Pleasant Valley to demonstrate a new way of looking at the settlement of the West Writing in a vivid narrative style and employing rigorous scholarship he creatively explores the role of trauma in shaping the lives and decisions of the settlers in Pleasant Valley and offers new insight into the difficulties of survival in an isolated frontier community

Volatile Organic Compounds in Environment Ki-Hyun Kim, 2018-04-06 This book is a printed edition of the Special Issue Volatile Organic Compounds in Environment that was published in *Environments*

Routledge Handbook of Tourism in Africa Marina Novelli, Emmanuel Adu-Ampong, Manuel Alector Ribeiro, 2020-11-29 This book provides a comprehensive and readable overview of the critical debates and controversies around tourism in Africa and the

major factors that are affecting tourism development now and in the future Drawing upon research emerging from collaborations between a growing number of African academics and practitioners based in the continent and in the African diaspora as well as international colleagues the Handbook offers key critical insights into the issues challenges and trends that Africa and African tourism is facing Part I covers continent wide issues such as climate change ICT heritage and development The remaining parts are organised along geographic lines with each chapter covering the development of tourism current trends and discussion of critical issues such as community participation gender backpacking urban tourism wildlife tourism and conservation Combining an overview of key theories concepts contemporary issues and debates this book will be a valuable resource for students academics and practitioners investigating the role of tourism in Africa

Advertising Diversity Shalini Shankar,2015-04-03 In *Advertising Diversity* Shalini Shankar explores how racial and ethnic differences are created and commodified through advertisements marketing and public relations Drawing from periods of fieldwork she conducted over four years at Asian American ad agencies in New York San Francisco and Los Angeles Shankar illustrates the day to day process of creating and producing broadcast and internet advertisements She examines the adaptation of general market brand identities for Asian American audiences the ways ad executives make Asian cultural and linguistic concepts accessible to their clients and the differences between casting Asian Americans in ads for general and multicultural markets Shankar argues that as a form of racialized communication advertising shapes the political and social status of Asian Americans transforming them from model minorities to model consumers Asian Americans became visible in the twenty first century United States through a process Shankar calls racial naturalization Once seen as foreign their framing as model consumers has legitimized their presence in the American popular culture landscape By making the category of Asian American suitable for consumption ad agencies shape and refine the population they aim to represent
