Courage to Be Yourself Sue Patton Thoele, 2022-11-08. Find the Courage to Embrace Your Authentic Self. Transform your fear into courage. Surrounded by the pressures of society we often measure ourselves by impossible standards. We see images of idealized women and become scared that our own bodies, personalities or ambitions do not measure up and are not worthy. As a result of her own life experiences author Sue Patton understands what it's like to be scared and unsure of your place. But her words inspire readers to take courage in their own identity and find happiness through it. Target harmful patterns. How we live each day shapes who we are. If our days are riddled with negative self-talk our happiness inevitably suffers. Unhealthy mindsets can also infiltrate our relationship with others. Women especially feel the need to be caretakers looking out for the needs of others and often putting their needs above our own. By learning how to identify these patterns we can target areas that need change in our lives. Become a loving friend to yourself. While all of us certainly have a calling to love others it is just as important to gift that same love to yourself. Without self-love there can be no positive growth. In this motivational book Patton shares pieces of her story as well as other women's in order to help readers learn how best to journey from a place of fear to a life of courageous self-love and acceptance. In this self-help book for women Patton offers invaluable inspiration. Open it up.
