Jonathan Fraser Light, 2016-03-25 More than any other sport baseball has developed its own niche in America's culture and psyche. Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays. Many trace the beginnings of the civil rights movement in part to the Major League's decision to integrate and the words and phrases of the game for example pinch hitter and out in left field have become common in our everyday language. From AARON HENRY onward this book covers all of what might be called the cultural aspects of baseball as opposed to the number rich statistical information so widely available elsewhere. Biographical sketches of all Hall of Fame players owners executives and umpires as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards join entries for teams owners commissioners and league presidents Advertising agents drafts illegal substances minor leagues oldest players perfect games retired uniform numbers superstitions tripleheaders and youngest players are among the thousands of entries herein. Most entries open with a topical quote and conclude with a brief bibliography of sources for further research. The whole work is exhaustively indexed and includes 119 photographs. **Novel Ideas** Barbara Shoup, Margaret-Love Denman, 2013-05-01 Novel Ideas provides a substantial introduction to the elements of fiction followed by in depth interviews with successful novelists who speak with candor and insight into the complex process by which a novel is made. This edition includes new and updated interviews as well as writing exercises to enhance its use in the writing classroom. Dorothy Allison recalls deliciously self indulgent days of writing in her bathrobe wrapped in misery and exultation. Peter Cameron explains how he made the move from short fiction to the novel with the aid of a music composer's notebook to track the movement of his characters. Writers as different as Ha Jin Jill McCorkle Richard Ford and Michael Chabon describe their unique approaches to their work while consistently affirming the necessity of committing to the hard effort of it while also remaining open to surprise. Aspiring novelists will find hands on strategies for beginning working through and revising a novel accomplished novelists will discover new ways to solve the problems they face in process and serious readers of contemporary fiction will enjoy a glimpse into the way novels are made. Includes interviews with Dorothy Allison Larry Brown Peter Cameron Michael Chabon Michael Cunningham Robb Forman Dew Richard Ford Ha Jin Patricia Henley Charles Johnson Wally Lamb Valerie Martin Jill McCorkle Sena Jeter Naslund Lewis Nordan Sheri Reynolds S J Rozan Jane Smiley Lee Smith Theodore Weesner. *Branch Rickey*, 2009-01-01 He was not much of a player and not much more of a manager but by the time Branch Rickey 1881-1965 finished with baseball he had revolutionized the sport not just once but three times. In this definitive biography of Rickey the man sportswriters dubbed The Brain The Mahatma and on occasion El Cheapo Lee Lowenfish tells the full colorful story of a life that forever changed the face of America's game. From 1917 to 1942 Rickey was the mastermind behind the Saint Louis Cardinals who enabled small market clubs to compete with the rich and powerful by creating the farm system. Under his direction in the 1940s the Brooklyn Dodgers became the first true America's team. By

signing Jackie Robinson and other black players he single handedly thrust baseball into the forefront of the civil rights movement Lowenfish evokes the peculiarly American complex of God family and baseball that informed Rickey's actions and his accomplishments His book offers an intriguing richly detailed portrait of a man whose life is itself a crucial chapter in the history of American business sport and society **Billboard** ,1956-10-27 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Frank "Home Run" Baker Barry Sparks,2005-11-14 In the decades before baseball fans became enamored of sluggers like Babe Ruth and Jimmie Foxx very few players were identified with the long ball Instead the game was dominated by men like Ty Cobb and Honus Wagner players who sprayed the ball around the park stole bases and mastered the hit and run In fact only one player entered the baseball mythology for his slugging Frank Home Run Baker Born in Trappe Maryland in 1886 Baker earned his moniker by hitting two game changing homers in the 1911 World Series That was the also the first year he led the American League in home runs with the grand total of 11 Altogether he led for four consecutive years 1911 1914 though he never hit more than 12 dingers in a single season Playing third base for the Philadelphia Athletics and the New York Yankees Baker led the way for the more Ruthian totals to come in the Roaring 20s His is the story of a young player who at the height of his career risked throwing it all away in a contract dispute with the legendary Connie Mack It is the story of the deadball era and the transition to the game we know today *The Web Designer's Idea Book Volume 2* Patrick McNeil,2010-09-19 Web Design Inspiration at a Glance Volume 2 of The Web Designer's Idea Book includes more than 650 new websites arranged thematically so you can easily find inspiration for your work Author Patrick McNeil creator of the popular web design blog designmeltdown.com and author of the original bestselling Web Designer's Idea Book has cataloged thousands of sites and showcases the latest and best examples in this book The web is the most rapidly changing design medium and this book offers an organized overview of what's happening right now Sites are categorized by type design element styles and themes structural styles and structural elements This new volume also includes a helpful chapter explaining basic design principles and how they can be applied online Whether you're brainstorming with a coworker or explaining your ideas to a client this book provides a powerful communication tool you can use to jumpstart your next project **Yankees Century** Glenn Stout,2002 Photographs and essays help chronicle one hundred years of history for the New York Yankees professional baseball team profiling key players coaches and moments in the team's history **Billboard** ,1957-01-05 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **The Cat Who Sang for the Birds** Lilian Jackson Braun,1999-03-01 In this delightful Cat Who mystery featuring Jim
