Paulinas Promise To Her Grandfather Jesus:

Paulina's Promise to Her Grandfather, Jesus Dylan Stephens, 2012-02-01 Harvard Divinity School has now confirmed that Gospel of Jesus's Wife papyrus fragment is ancient after detailed testing With Jesus's wife confirmed it is time to find out who was Jesus daughter and granddaughter and how St Paul was his son in law It is all shown for the first time in this book Paulina's promise to her grandfather This book is not another half cocked book about Jesus going to India or Mary Magdalene sitting at Da Vinci's Last Supper or of founding a Grail Dynasty It is a well documented and consistent although alternative history It is hoped that the truth about Jesus will help to diffuse misguided religious fanaticism that continues to trouble the future of this world We have only now begun to feel the impact of the Nag Hammadi Books and the Dead Sea Scrolls on our view of religion These books were found when I was born and that was a mere sixty five years ago Books like Da Vinci Code and Holy Blood Holy Grail are just the tip of the iceberg because there have never been facts that can explain it and prove all of the story This book can Paulina is a real person who lived and is just as real as her mother Phoebe and father Paul her grandfather Jesus her grandmother Mary Magdalene her great grandfather Joseph and her great grandmothers Mother Mary and Salome Martha People will say that this book threatens to turn Jesus into a mere person but Christianity can survive this as it did in the Protestant Revolution There will always be fanatics who cause religious wars in the name of God and violate the true principle of God of turning the other cheek When the Protestants dared to demote Jesus from God to Son of God there were years of bloodshed but now both sides have learned to respect each other as Christians In these times the moneychangers of the Churches are beginning to understand that perhaps their churches have become empty because myths cannot stand up to science and common sense anymore Clearly we are now moving to a new paradigm that requires respect for all religions and non religions Christianity can no longer have the exclusive hold to Peter's keys as the only door to heaven because heaven is open to all good people or rather I should say that heaven is all good people The solution to the vitalizing of Christianity is to go back to the roots of the early Christian Church In those days all were brothers and sisters who dealt with values of conscience between ones Self and God It did not require Jesus or Paul or the Disciples or the clerics to be the only conduit to God These early leaders taught by example and it is their personal mistakes and successes that are so much more valuable to us in this electronic age of personal empowerment Have you wondered why there must be a Second Coming Even in 70 AD when Jesus was still alive having survived the Crucifixion he was still wishing to tear down the myth about his Resurrection He begged his granddaughter Paulina to expose this lie In her own loving words she describes the truths by using the contents of explicit first century references from historians apocrypha the Dead Sea Scrolls and carefully translated passages from original Greek New Testament Her book having been hidden in a cave by Paulina before her martyrdom by the Church leaders was found by Bernadette of Lourdes and it has only now come to light It is the spreading of this book to the world that will finally replace the feared Apocalypse with a true Revelation of true

Revelation that will foster humanity's desire for global conscience and consciousness Note from the author Although the Kindle ebook faithfully reproduces the paperback it is somewhat difficult to navigate due to the limitations of the ebook so please consider purchasing the paperback *An Errant Wooing* Mrs. Burton Harrison,1895 *The Lutheran Witness* ,1882

Brainard's Sons,1872 **Herald of Gospel Liberty** Elias Smith,1903 *The Living Church* ,1906 *The Illustrated London News* ,1887 *The Pesher of Christ* Dylan Stephens,2017-11-28 This book reveals the true history of Jesus and his Church 8BC 112AD by means of the Pesher of Christ Today many Christians are awaiting the final apocalypse of Revelation which has been tainted by an incorrect reading of Revelation which is merely a telling of past history with imaginative images Many are awaiting the Second Coming of Christ which again is a misreading of Resurrection Now more than ever it is important to understand that Jesus did not die on the cross that he did not do miracles that he lived to be 78 years old outliving both Peter and Paul It is the misinterpretation of Jesus and his mission which continues to create disharmony in the world and even within Christian sects It is crucial that we ground ourselves in the truth in order to fully realize the potential of Christ within ourselves and others Faith is not enough This book contains two parts the left hand pages contain the references that support the content of the right hand pages that contain the true story as told by each person in the New Testament in his her own words *Review and Herald* ,1964 **Book Review Index Cumulation** Dana Ferguson,2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year

Books in Print Supplement ,2002 *Arts & Humanities Citation Index* ,1979 **The Seven Sisters and the Apocalypse** Dylan Stephens,2012-03-31 **My Grandpa Has Parkinson's** Margot Grant Evans,2006-06 The Gospel of Jesus is a single edition of the four gospels of Matthew Mark Luke and John combined into one complete story of the life of Jesus Many details are found to be omitted from one gospel version to the next and some events are not mentioned at all By combining details from each gospel and presenting the events as one version a greater understanding can be obtained For instance only in Luke does it reveal that Jesus turned and looked at Peter when he denied knowing Him the third time Again only in John is it recorded that when Jesus was about to be arrested and He told them He was the one they sought they fell backward to the ground Many such details are easily forgotten yet are essential in order to fully grasp an understanding of the events that occurred during this time The Gospel of Jesus is for the seasoned reader of the Bible as well as the new student or young adult It is formatted as any normal book with updated pronouns and verb usage Chapter and verse

references are found at the end of each event which allows a more consistent flow of thought without interruption The Gospel of Jesus is the first volume in the Book by Book series The first two chapters of the book of Acts was included because it pertains to the immediate events that occurred after the resurrection and appearances prior to the ascension of Jesus into Heaven The remaining chapters of Acts are found in Volume III along with the book of Revelation Volume II consists of the Letters of the New Testament which have been arranged chronologically according to the general acceptance of the year in which they were written This is purely for historical accuracy What Did Jesus Promise? Helen Haidle, Sheri Baldholm, 2000-03 Presents sixteen selections from the Bible containing promises which Jesus spoke concerning forgiveness prayer giving and heaven
