Les pays scandinaves occupent une place part dans les représentations de la démocratie moderne. Objets de fascination sans cesse renouvelée même pour les critiques de ces systèmes politiques et sociaux, ces petits pays ont attiré une attention internationale sans commune mesure avec leur taille et leur place dans la géopolitique moderne. Depuis longtemps médias, chercheurs et politiques aiment les regarder en modifiant les louant leur conciliation du capitalisme et de l'égalité sociale, leur démocratie exemplaire et transparente et leur culture de paix au risque des stéréotypes. Première synthèse du genre en français portant sur les dimensions sociopolitiques, cet ouvrage interroge les facettes de l'exceptionnalité scandinave dans l'histoire en même temps qu'il vise à proposer une approche et des analyses renouvelées de ces régimes politiques. Traitant en priorité du Danemark, de la Norvège et de la Suède, il aborde également les cas de la Finlande et de l'Islande jusqu'à la spectaculaire crise financière et politique qui a touché cette petite île depuis 2008. Ce titre s'adressera en premier lieu aux étudiants et enseignants des filières scandinaves de sciences politiques et sociales et d'histoire, mais aussi aux publics qui recherchent des outils de réflexion précis et exigeants pour comprendre la genèse et le fonctionnement de ces démocraties.

The European Yearbook promotes the scientific study of nineteen European supranational organisations and the Organisation for Economic Co-operation and Development (OECD). European Year Book Council of Europe/Conseil de l'Europe, 1983-07-01 **Annuaire Européen B.** Lamdheer, W. Horsfall, 2012-12-06

Avec ce quatrième volume, l'Annuaire européen entre dans la seconde phase de son existence. À l'origine, la publication de cet Annuaire avait été à titre d'expérience prévue pour trois ans. Cette période est déjà dépassée et le succès de l'expérience est démontré par de nombreuses critiques élogieuses, comme par l'accueil très favorable que lui ont réservé les milieux intéressés aux affaires européennes. En conséquence, le Comité des Ministres du Conseil de l'Europe décida en mars 1957 que l'Annuaire européen continuerait à paraître sans limitation de durée. Ainsi, les assises de notre œuvre sont pour ainsi dire devenues permanentes et ce fait même prouve les progrès réalisés dans la voie

de l'intégration européenne En effet l'année 1957 a été extrêmement fructueuse en ce qui concerne l'intégration européenne et alors que dans l'ensemble ce volume IV devait être consacré à l'évolution des faits en 1956 nous avons dû également porter notre attention aussi bien dans les articles que dans la partie documentaire sur les nouvelles institutions dont l'importance est capitale C'est pourquoi le Traité instituant la Communauté Economique Européenne figure parmi les textes documentaires du présent volume toutefois en raison du manque de place la publication du Traité instituant l'Euratom a été différée jusqu'au prochain volume Etant donné l'importance de ces deux nouveaux traités pour l'intégration européenne le Comité de rédaction demanda à M **Annuaire européen** Council of Europe/Conseil de l'Europe, Council of Europe, 1974-12 The European Yearbook promotes the scientific study of nineteen European supranational organisations and the Organisation for Economic Co-operation and Development OECD Each volume contains a detailed survey of the history structure and yearly activities of each organisation and an up to date chart providing a clear overview of the member states of each organisation Each volume contains a comprehensive bibliography covering the year's relevant publications
