creativity just as her revolution reveals its true direction for the future *Silver Age and After: Repressed Russian Poets, Artists and Philosophers during the Soviet Period* Roberto Echavarren, 2024-09-17 The details of the Jewish Holocaust have become part of our history through the testimony of those who survived the death camps The details of Lenin's and Stalin's reign of terror are far less known because they took place behind a wall of secrecy and because survivors have been loath to speak about them for fear of retribution This is an encompassing volume presenting an intense display as complete as can be of poets artists musicians and philosophers and intellectual actors implicated in different aspects of Russian life roughly through the period 1900-1960 They were people who had lived under the Soviet regime in times of peace and in times of war from the Red Terror through the Great Terror One must bear in mind the political and economic conditions in which those lives developed the one party rule placed above both the government and the citizens the abashment of the division of powers the suppression of private property and private economic initiative the political police and the GULAG I deal with the poets in several chapters then theater directors then composers then philosophers these both in the introduction and in the play at the end of the book Besides the Prologue and Introduction the reader will find an Index of historical names plus an extensive Bibliography The work can be used for reference for classroom adoption for researchers practitioners of Russian Literature Political Studies Slavic Studies and Russian History **Rage in the Belly** Luzia Sutter Rehmann, 2021-02-03 How is rage related to hunger Hunger is a liminal experience connected to powerlessness shame and violence Hunger does not issue into speech It cannot therefore be easily found in the biblical texts written by and about people who knew hunger It hides behind the words in these texts Rage conversely finds expression and in the texts it can alert readers to hidden experiences of hunger But rage is not just a response to the lack of food It is also a transformative force reaching towards a justice that is not yet real The experience of hunger and the fear of famine often go hand in hand with anger a rage that can bring whole populations to their feet Luzia Sutter Rehmann develops a biblical hermeneutic that centers on the fire in the belly of the hungry their rage that leads to protests and uprisings Her reading shows the poor or the many as those with whom Jesus cooperates and as subjects acting on their own initiative The book also highlights key socio historical information on the food situation of ancient Rome and Palestine on poverty political dependence and unrest droughts and famines

Peter the Great's African Alexander Pushkin, 2022-04-12 Newly translated unfinished works about power class conflict and artistic inspiration by Russia's greatest poet Alexander Pushkin Russia's foundational writer was constantly experimenting with new genres and this fresh selection ushers readers into his creative laboratory Politics and history weighed heavily on Pushkin's imagination and in *Peter the Great's African* he depicts the Tsar through the eyes of one of his closest confidantes Ibrahim a former slave modeled on Pushkin's maternal great grandfather At once outsider and insider Ibrahim offers a sympathetic yet questioning view of Peter's attempt to integrate his vast archaic empire into Europe In the witty *History of the Village of Goriukhino* Pushkin employs parody and self-parody to explore problems of writing history while *Dubrovsky* is both a gripping adventure story and a vivid picture of provincial Russia in the late eighteenth century with its class conflicts ready to boil over in violence *The Egyptian Nights* an effervescent mixture of prose and poetry reflects on the nature of artistic inspiration and the problem of the poet's place in a rapidly changing and ever more commercialized society

Rock, Paper, Scissors Maxim Osipov, 2019-04-09 The first English language collection of a contemporary Russian master of the short story Maxim Osipov who lives and practices medicine in a town ninety miles outside Moscow is one of Russia's best contemporary writers In the tradition of Anton Chekhov and William Carlos Williams he draws on his experiences in medicine to write stories of great subtlety and striking insight Osipov's fiction presents a nuanced collage-like portrait of life in provincial Russia its tragedies frustrations and moments of humble beauty and inspiration The twelve stories in this volume depict doctors actors screenwriters teachers entrepreneurs local political bosses and common criminals whose paths intersect in unpredictable yet entirely natural ways in sickrooms classrooms administrative offices and on trains and in planes Their encounters lead to disasters major and minor epiphanies and on occasion the promise of redemption
