New Approaches to the Comparative Abolition in the Atlantic and Indian Oceans Jesús Sanjurjo, Manuel Barcia, 2023-05-08 Taking the theme of abolition as its point of departure this book builds on the significant growth in scholarship on unfree labour in the Atlantic and Indian Ocean worlds during the past two decades The essays included here revisit some of the persistent problems posed by the traditional comparative literature on slavery and indentured labour and identify new and exciting areas for future research This book is intended for a broad audience including scholars students as well as for a general readership who have specific interests in the history of the slave trade slavery and imperial history It was originally published as a special issue of the journal Atlantic Studies Global Currents

Antislavery in the Dissenting Atlantic Bridget Bennett, 2025-04-09 Bridget Bennett's Antislavery in the Dissenting Atlantic explores the impact of a historically situated set of transatlantic networks chiefly centered on prominent communities of religious nonconformists in England and Pennsylvania in the decades between the American Revolution and American Civil War The study reveals the alliances forged out of progressive religious and political commitments to dissent that enabled expansive connections across the Atlantic world These developments emerged from local proximities and combined an optimistic devotion to social justice and education with a global vision Bennett's work offers an original and innovative reading of transatlantic partnerships exploring obscure writings overlooked individuals and the cultures of the everyday while also affording fresh understandings of familiar antislavery texts

The Poverty of Planning Benno Engels, 2021-01-15 Using a neo Marxian perspective Benno Engels examines the absence of urban planning in nineteenth century England In his analysis of urbanization in England Engels considers the influences of property owners inheritance laws local government structures fiscal crises of the local and central state shifts in voter sentiments fluctuating economic conditions and class based pressure group activity

Researching Local History Stuart A. Raymond, 2022-09-08 How has the place we live in changed developed and grown over the centuries That is the basic question local historians seek to answer The answer is to be found in the sources of information that previous generations have left us The records of parish county and diocesan administration of the courts of the national government and of private estates all have something to tell us about the history of the locality we are interested in So do old newspapers and other publications All of these sources are readily available but many have been little used Local historians come from a wide diversity of backgrounds But whether you are a student researching a dissertation a family historian interested in the wider background history of your family a teacher a librarian an archivist an academic or are merely interested in the history of your own area this book is for you If you want to research local history you need a detailed

account of the myriad sources readily available This book provides a comprehensive overview of those sources and its guidance will enable you to explore and exploit their vast range It poses the questions which local historians ask and identifies the specific sources likely to answer those questions **Tracing Your Lancashire Ancestors** Sue

Wilkes,2013-01-19 If you want to find out about Lancshires history and particularly if you have family links to the area and your ancestors lived or worked in the county then this is the ideal book for you As well as helping you to trace when and where your ancestors were born married and died it gives you an insight into the world they knew and a chance to explore their lives at work and at home Sue Wilkess accessible and informative handbook outlines Lancshires history and describes the origins of its major industries cotton coal transport engineering shipbuilding and others She looks at the stories of important Lancashire families such as the Stanleys Peels and Egertons and famous entrepreneurs such as Richard Arkwright in order to illustrate aspects of Lancashire life and to show how the many sources available for family and local history research can be used Relevant documents specialist archives and libraries background reading and other sources are recommended throughout this practical book Also included is a directory of Lancashire archives libraries and academic repositories as well as databases of family history societies useful genealogy websites and places to visit which bring Lancshires past to life Sue Wilkess book is the essential companion for anyone who wants to discover their Lancashire roots

Living with lodgers Vicky Holmes,2025-01-07 For the Victorian working class lodging in someone else s home was commonplace Yet despite their prevalence lodgers and their householders have received little scholarly attention Drawing on hundreds of coroners inquests reported in the Victorian press *Living with lodgers* traverses many domestic dwelling lodgings in England at this time providing an extraordinary intimate portrayal of the lives of the inhabitants therein *Irish Identities in Victorian Britain* Roger Swift,Sheridan Gilley,2013-10-31 Recent studies of the experiences of Irish migrants in Victorian Britain have emphasized the significance of the themes of change continuity resistance and accommodation in the creation of a rich and diverse migrant culture within which a variety of Irish identities co existed and sometimes competed In contributing to this burgeoning historiography this book explores and analyses the complexities surrounding the self identity of the Irish in Victorian Britain which differed not only from place to place and from one generation to another but which were also variously shaped by issues of class and gender and politics and religion Moreover and given the tendency for Irish ethnicity to mutate through a comparative study of the Irish in Britain and the United States the book suggests that in order to preserve their Irishness the Irish often had to change it Written by some of the foremost scholars in the field these original essays not only shed new light on the history of the Irish in Britain but are also integral to the broader study of the Irish Diaspora and of immigrants and minorities in multicultural societies This book was previously published as a special issue of *Immigrants and Minorities* Local Population Studies ,2006 **Census** Peter Christian,David Annal,2008-09 Written by bestselling author Peter Christian and the National Archives census expert Dave Annal this fascinating guide shows how

using the census can transform your family research. It shows how to interpret intricate details of your ancestors' lives from names, addresses, and ages to family relationships, status, and occupations, as well as revealing what may be hidden between the lines. As the National Archives release of the 1911 census, once used by MI5 to track down enemy aliens, comes ever closer, Census offers the perfect way to prepare and get ahead of the game. Discover how to get the very best from online research, selecting the most useful websites and best quality images, as well as the experts' techniques for approaching original records, microfilm, CDs, and DVDs.
