

The background is a dark, abstract composition. On the right side, there is a perspective view of a grid, resembling a floor or a ceiling, that recedes into the distance. The grid is composed of many small squares. Overlaid on this and the rest of the image are various light trails and patterns. A prominent feature is a bright, horizontal streak of light that appears to be moving across the frame. There are also some circular, glowing patterns that look like light reflections or perhaps stylized representations of casino games like roulette or craps. The overall color palette is dominated by dark blues, blacks, and greys, with accents of bright white, yellow, and green from the light effects.

The Meaning of Being Illuminati Nicolas Laos, 2019-05-23 This book articulates a new research program called Ur Illuminism which consists in an integrated and systematic study of humanity's quest for illumination namely for the highest and noblest possible mode of being Thus it takes on the challenge of revising widely accepted ways of understanding and interpreting the ontological underpinnings of civilization and the ontological potential of humanity It allows the reader to delve into a creative rediscovery of Platonism medieval Christian mystics and scholars writings and various illuminist systems from the Orphic mystical cult to the European Enlightenment and thence to the eighteenth century Illuminati fraternities and beyond Moreover the book studies major issues in the history of philosophy politics and esoteric systems such as Hermeticism the Kabbalah alchemy the Rosicrucian movement Freemasonry and the Bavarian Illuminati It maintains that a postmodern rediscovery of premodern metaphysics specifically a postmodern esoteric theocracy as distinct from old sacerdotalism and religious formalism is the best bulwark against oppression and the ontological degradation of humanity as well as the best path to the attainment of that wisdom and spiritual self knowledge which constitute the existential integration and completion of the human being In this context it proposes a peculiar and intellectually fecund synthesis between Tory Anarchism Libertarianism Platonism and Byzantine Hesychasm as they are elucidated here
