Online Country Boys Redneck Women American:

Country Boys and Redneck Women Diane Pecknold, Kristine M. McCusker, 2016-02-08 Country music boasts a long tradition of rich contradictory gender dynamics creating a world where Kitty Wells could play the demure housewife and the honky tonk angel simultaneously Dolly Parton could move from traditionalist girl singer to outspoken trans rights advocate and current radio playlists can alternate between the reckless masculinity of bro country and the adolescent girlishness of Taylor Swift In this follow up volume to *A Boy Named Sue* some of the leading authors in the field of country music studies reexamine the place of gender in country music considering the ways country artists and listeners have negotiated gender and sexuality through their music and how gender has shaped the way that music is made and heard In addition to shedding new light on such legends as Wells Parton Loretta Lynn and Charley Pride it traces more recent shifts in gender politics through the performances of such contemporary luminaries as Swift Gretchen Wilson and Blake Shelton The book also explores the intersections of gender race class and nationality in a host of less expected contexts including the prisons of WWII era Texas where the members of the Goree All Girl String Band became the unlikelyst of radio stars the studios and offices of Plantation Records where Jeannie C Riley and Linda Martell challenged the social hierarchies of a changing South in the 1960s and the burgeoning cities of present day Brazil where college country has become one way of negotiating masculinity in an age of economic and social instability

Digital Pirates Alexander Sebastian Dent, 2020-07-14 Digital Pirates examines the unauthorized creation distribution and consumption of movies and music in Brazil Alexander Sebastian Dent offers a new definition of piracy as indispensable to current capitalism alongside increasing global enforcement of intellectual property IP Complex and capricious laws might prohibit it but piracy remains a core activity of the twenty first century Combining the tools of linguistic and cultural anthropology with models from media studies and political economy Digital Pirates reveals how the dynamics of IP and piracy serve as strategies for managing the gaps between texts in this case digital content Dent s analysis includes his fieldwork in and around S o Paulo with pirates musicians filmmakers police salesmen technicians policymakers politicians activists and consumers Rather than argue for rigid positions he suggests that Brazilians are pulled in multiple directions according to the injunctions of international governance localized pleasure magical consumption and economic efficiency Through its novel theorization of digital textuality this book offers crucial insights into the qualities of today s mediascape as well as the particularized political and cultural norms that govern it The book also shows how twenty first century capitalism generates piracy and its enforcement simultaneously while producing fraught consumer experiences in Latin America and beyond

Taylor Swift Christa Anne Bentley, Kate Galloway, Paula Clare Harper, 2025-03-10 From studio albums to stadium tours Taylor Swift is a record setting pop artist whose impacts are outsized and global in scale At the same time she has cultivated an audience base that finds her her songs and her voice eminently relatable Taylor Swift The Star The Songs The Fans positions Swift as a prismatic figure for the musical world of

the 21st century This collection includes new work from interdisciplinary scholars who focus on Swift s star persona the lyrics themes and meanings of Swift s songs and the ways that fans interact with Swift s work and with each other Together the essays evaluate Swift s career with attention to how her work has resonated in a changing global society how she has navigated shifts in the music industry and how she has negotiated changes in her musical transition from country to pop along the lines of her age gender race and class identity Including contributions by scholars practitioners and journalists this book offers a serious consideration of one of today s most popular music stars that shows why and how she matters Engaging a wide variety of disciplines and methodological perspectives including fan studies cultural studies philosophy musicology and music theory journalism and songwriting Taylor Swift The Star The Songs The Fans will be of interest to students and scholars of music media studies popular culture fan studies gender and sexuality studies and sound studies

Remediating Region Gina Caison, Lisa Hinrichsen, Stephanie Rountree, 2021-12-08 Rather than a media history of the region or a history of southern media *Remediating Region* New Media and the U S South formulates a critical methodology for studying the continuous reinventions of regional space across media platforms This innovative collection demonstrates that structures of media undergird American regionalism through the representation of a given geography s peoples places and ideologies It also outlines how the region answers back to the national media by circulating ever shifting ideas of place via new platforms that allow for self representation outside previously sanctioned media forms *Remediating Region* recognizes that all media was once new media In examining how changes in information and media modify concepts of region it both articulates the virtual realities of the twenty first century U S South and historicizes the impact of new media on a region that has long been mediated Eleven essays examine media moments ranging from the nineteenth century to the present day among them Frederick Douglass s utilization of early photography video game representations of a late capitalist landscape rural queer communities engagement with social media platforms and contemporary technologies focused on revitalizing Indigenous cultural practices Interdisciplinary in scope and execution *Remediating Region* argues that on an increasingly networked planet concerns over the mediated region continue to inform how audiences and participants understand their entrance into a global world through local space

Billboard, 2007-04-14 In its 114th year *Billboard* remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Rednecks, Queers, and Country Music Nadine Hubbs, 2014-03-22 In her provocative new book *Rednecks, Queers, and Country Music* Nadine Hubbs looks at how class and gender identity play out in one of America s most culturally and politically charged forms of popular music Skillfully weaving historical inquiry with an examination of classed cultural repertoires and close listening to country songs Hubbs confronts the shifting and deeply entangled workings of taste sexuality and class politics In Hubbs s view the popular phrase I ll listen to anything but country allows middle class

Americans to declare inclusive omnivore musical tastes with one crucial exclusion country a music linked to low status whites Throughout Rednecks Queers and Country Music Hubbs dissects this gesture examining how provincial white working people have emerged since the 1970s as the face of American bigotry particularly homophobia with country music their audible emblem Bringing together the redneck and the queer Hubbs challenges the conventional wisdom and historical amnesia that frame white working folk as a perpetual bigot class With a powerful combination of music criticism cultural critique and sociological analysis of contemporary class formation Nadine Hubbs zeroes in on flawed assumptions about how country music models and mirrors white working class identities She particularly shows how dismissive politically loaded middle class discourses devalue country s manifestations of working class culture politics and values and render working class acceptance of queerness invisible Lucid important and thought provoking this book is essential reading for students and scholars of American music gender and sexuality class and pop culture *Billboard* ,2005-02-05 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Billboard ,2004-06-12 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Visible Differences Dominic J. Pulera,2002-06-05 Race The mere mention of the R word is a surefire conversation stopper In this book about America s most divisive social issue Dominic J Pulera offers a compelling roadmap to our future This accessible and penetrating analysis is the first to include detailed coverage of America s five racial groups whites blacks Hispanics Asian Americans and Native Americans The author contends that race will matter to Americans during the twenty first century because of visible differences and that differences in physical appearance separating the races are the single most important factor shaping intergroup relations in conjunction with the social cultural economic and political ramifications that accompany them Pulera shows how why when and where race matters in the United States and who is affected by it He explains the ongoing demographic transition of America from a predominantly white country to one where nonwhites are increasingly numerous and consequently more visible The advent of a multiracial consciousness has tremendous implications for America s future because the racial significance of almost every part of the American experience is increasing as a result The author concludes on a note of cautious optimism as he explores whether the visible differences dividing Americans are reconcilable

Country Music Goes to War Charles K. Wolfe,James E. Akenson,2014-07-11 Listening to the Beat of the Bomb UPK author Charles Wolfe discusses his work and his new book Country Music Goes to War in the NEW YORK TIMES While Toby Keith suggests that Americans should unite in support of the president the Dixie Chicks assert their right to criticize the current administration and its military pursuits Country songs

about war are nearly as old as the genre itself and the first gold record in country music went to the 1942 war song There's a Star Spangled Banner Waving Somewhere by Elton Britt The essays in Country Music Goes to War demonstrate that country musicians' engagement with significant political and military issues is not strictly a twenty-first-century phenomenon The contributors examine the output of country musicians responding to America's large-scale confrontation in recent history World War II the Korean War Vietnam the cold war September 11 and both conflicts in the Persian Gulf They address the ways in which country songs and artists have energized public discourse captured hearts and inspired millions of minds Charles K Wolfe professor of English and folklore at Middle Tennessee State University is the author of numerous books and articles on music James E Akenson professor of curriculum and instruction at Tennessee Technological University is the founder of the International Country Music Conference Together they have edited the collections The Women of Country Music Country Music Annual 2000 Country Music Annual 2001 and Country Music Annual 2002 **Billboard** ,2000-01-08 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Small-Town America Robert Wuthnow,2015-05-26 A revealing examination of small-town life More than thirty million Americans live in small out-of-the-way places Many of them could have joined the vast majority of Americans who live in cities and suburbs They could live closer to more lucrative careers and convenient shopping a wider range of educational opportunities and more robust health care But they have opted to live differently In Small Town America we meet factory workers shop owners retirees teachers clergy and mayors residents who show neighborliness in small ways but who also worry about everything from school closings and their children's futures to the ups and downs of the local economy Drawing on more than seven hundred in-depth interviews in hundreds of towns across America and three decades of census data Robert Wuthnow shows the fragility of community in small towns He covers a host of topics including the symbols and rituals of small-town life the roles of formal and informal leaders the social role of religious congregations the perception of moral and economic decline and the myriad ways residents in small towns make sense of their own lives Wuthnow also tackles difficult issues such as class and race abortion homosexuality and substance abuse Small Town America paints a rich panorama of individuals who reside in small communities finding that for many people living in a small town is an important part of self-identity **Billboard** ,1999-12-25 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Billboard ,2005-04-02 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music

video gaming media digital and mobile entertainment issues and trends *Billboard* ,2004-02-14 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Billboard ,2004-08-14 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Encyclopedia of Appalachia* Rudy Abramson,Jean Haskell,2006 The Encyclopedia details subjects traditionally associated with Appalachia folklore handcrafts mountain music food and coal mining but goes far beyond regional stereotypes to treat such wide ranging topics as the aerospace industry Native American foodways ethnic diversity in the coalfields education reform linguistic variation and the contested notion of what it means to be Appalachian both inside and outside the region Researched and developed by the Center for Appalachian Studies and Services at East Tennessee State University this 1 864 page compendium includes all thirteen states that constitute the northern central and southern subregions of Appalachia from New York to Mississippi With entries on everything from Adventists to zinc mining the Encyclopedia of Appalachia is a one stop guide to all things Appalachian BOOK JACKET The Cambridge Handbook of Discourse Studies Anna De Fina,Alexandra Georgakopoulou,2020-10-15 Discourse studies the study of the ways in which language is used in texts and contexts is a fast moving and increasingly diverse field With contributions from leading and upcoming scholars from across the world and covering cutting edge research this Handbook offers an up to date survey of Discourse Studies It is organized according to perspectives and areas of engagement with each chapter providing an overview of the historical development of its topic the main current issues debates and synergies and future directions The Handbook presents new perspectives on well established themes such as narrative conversation analytic and cognitive approaches to discourse while also embracing a range of up to the minute topics from post humanism to digital surveillance recent methodological orientations such as linguistic landscapes and multimodal discourse analysis and new fields of engagement such as discourses on race religion and money **Billboard** ,2004-09-18 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Trouble Girls** Julia Lynn Rubin,2025-09-23 A fiery thriller Kikrus Breathless School Library Journal A queer YA reimaging of Thelma half a pack of cigarettes that Trixie doesn t really smoke and a knife she s hanging on to for a friend that she s never used before But a single night of violence derails their trip and the girls go from ordinary high schoolers to wanted fugitives Trying to stay ahead of the cops and a hellscape of media attention Trixie and Lux grapple with an unforgiving landscape rapidly diminishing supplies and disastrous decisions at every turn As they

are transformed by the media into the face of a MeToo movement they didn't ask to lead Trixie and Lux realize that they can only rely on each other and that the love they find together is the one thing that truly makes them free Julia Lynn Rubin takes readers on a blistering unapologetic thrill ride Emma Berquis that will leave them haunted and reeling Trouble Girls is a powerful beautifully written gut punch Sophie Gonzales
