

A close-up photograph of two blue and yellow macaws perched on a thick, light-brown tree branch. The macaw on the left is facing forward, while the one on the right is turned slightly towards it. Both birds have vibrant blue feathers on their heads and backs, and bright yellow feathers on their chests and bellies. Their faces are white with dark, intricate patterns around the eyes. The background is a soft-focus green, suggesting a tropical forest setting.
