Book Seeking Sacred Transforming Ourselves Another:

Seeking the Sacred Stephanie Dowrick, 2011-06-09 For readers of Thomas Moore James Hillman and Pema Chodron a timely handbook for these troubled times that shows how to bring depth and meaning to our lives through cultivating our connection with something greater than ourselves Can changing our view of ourselves and others affect the world Bestselling author Stephanie Dowrick's major new book is a compelling look at how we can transform the world by seeing the extraordinary everywhere we look both without and within Through her intimate beautiful and encouraging writing Dowrick shows that it is only in altering our perception seeing all of life as sacred that we will challenge the usual stories about who we are and what we are capable of being At a time when religion is increasingly seen as a cause of prejudice and division or as irrelevant to our most pressing concerns the eternal truths of a genuinely inclusive spiritual wisdom have never been more urgently needed or sought In *Seeking the Sacred* Stephanie Dowrick invites us to go beyond cultural divisions and religious dogma and to discover what makes our lives sacred satisfying and meaningful Weaving personal stories including her own with an inspired vision of life's most healing possibilities she reveals how the sacred can transform the way we understand and value life changing forever how we interact with others and care for ourselves *Seeking the Sacred* is a provocative and accessible read for those contemplating God faith spirituality and the nature of belief in twenty first century life This is a book for the spiritually curious as well as those already engaged in the deeper questions Richly hopeful and uplifting *Seeking the Sacred* unravels some of our most complex contemporary dilemmas and speaks to the heart of our deepest yearnings

Leading with Love Karen Blakeley, Chris Blakeley, 2021-07-15 As business becomes more automated power more concentrated and the forces of competition and consumption seem to dominate our lives we are in danger of losing what it is to be human Work for many can be a soulless activity creating feelings of disempowerment alienation and depression Learning to lead with love is a counterforce to the instrumentalisation of the person This book presents original research based on leaders who were nominated by their people for leading with love It shows how they learned to lead with love for the benefit of themselves their organisations and their people It shows that leading with love is something that is practised by leaders who are more emotionally morally and spiritually mature Leading with love is a sign of psychological maturity whilst leading with fear is a sign of hindered emotional and spiritual development Based on this research this book presents a simple framework to help leaders who wish to develop their psychological maturity and apply practices which will enable them to successfully lead with love

Six Stages on the Spiritual Path Ruth Whitney, 2021-05-21 In *Six Stages on the Spiritual Path* we learn about spirituality and its stages as well as how spirituality helps to reduce our suffering and create more love Writings from ancient to contemporary mystics across the world provide us with practical and spiritual wisdom that will make our lives happier and more loving In the first stage on the mystic way children experience awe and wonder but they do not realize that this is a spiritual experience While all indigenous people recognize awe as a mystical experience only

some adults and most artists do When parents and religious leaders teach children about God they cause their spiritual growth to flourish or to become stunted at an elementary school level Awakening is an experience of the Divine that helps us realize that the Sacred Spirit is within us and loves us Awakening produces love for our neighbors and ourselves Then love nurtures more awakenings Illumination and union are deeper mystical experiences that the Holy One is not only within all of us and all of creation but also that we are within the ONE Illumination creates more love for all people and all the universe
