Book Skeleton Road Val McDermid:

The Skeleton Road Val McDermid, 2014-12-02 An Edinburgh detective encounters skeletal remains that may be connected to the brutal Balkan Wars of the 1990s in this tightly paced mystery Los Angeles Times In the center of historic Edinburgh Scotland builders are preparing to demolish a disused Victorian Gothic building They are understandably surprised to find skeletal remains hidden in a high pinnacle that hasn't been touched by maintenance for years Who do the bones belong to and how did they get there Could the eccentric British pastime of free climbing the outside of buildings play a role Enter cold case detective Karen Pirie who gets to work trying to establish the corpse's identity And when it turns out the bones may be from as far away as former Yugoslavia Karen will need to dig deeper than she ever imagined into the tragic history of the Balkans to war crimes and their consequences and ultimately to the notion of what justice is and who serves it McDermid melds the political thriller with the police procedural for an intense novel Associated Press

Burial Plots in British Detective Fiction offers an overview of the ways in which the past is brought back to the surface and influences the present in British detective fiction written between 1920 and 2020 Exploring a range of authors including Agatha Christie Patricia Wentworth Val McDermid Sarah Caudwell Georgette Heyer Dorothy Dunnett Jonathan Stroud and Ben Aaronovitch Lisa Hopkins argues that both the literal and literary disinterment of the past use elements of the national past to interrogate the present As such in the texts discussed uncovering the truth about an individual crime is also typically an uncovering of a more general connection between the present and the past Whether detective novels explore murders on archaeological digs hauntings cold crimes or killings at Christmas Hopkins explores the underlying message that you cannot understand the present unless you understand the past **Scottish Gothic** Carol Margaret Davison,2017-03-08
