Book What You Need:

The Book You Need to Read to Write the Book You Want to Write Sarah Burton, Jem Poster, 2022-03-17 Have you ever wanted to write a novel or short story but didn't know where to start? If so, this is the book for you. It's the book for anyone in fact who wants to write to their full potential. Practical and jargon-free, rejecting prescriptive templates and formulae, it's a storehouse of ideas and advice on a range of relevant subjects from boosting self-motivation and confidence to approaching agents and publishers. Drawing on the authors' extensive experience as successful writers and inspiring teachers, it will guide you through such essentials as the interplay of memory and imagination, plotting your story, the creation of convincing characters, the uses of description, the pleasures and pitfalls of research, and the editing process. The book's primary aim is simple: to help its readers to become better writers. **The Writer's Index of Good Form and Good English** John
