book was because I simply enjoy this topic Yes I am a bit odd I find topics that are strange mysterious and diabolical to be interesting The second reason is because we are in a spiritual battle and I find many Christians that I know seem to be almost oblivious to this fact My hope in this book is to make you more aware of the battle going on around us and that we can and should be ready to defend and battle Satan and his demonic army Our struggle is not against flesh and blood but against the rulers against the authorities against the powers of this dark world and against the spiritual forces of evil in the heavenly realms Ephesians 6 12

Reconstructing Sexual Ethics Eady Jay, 2025-10-01 Deconstructing purity culture and reconstructing sexual ethics is essential to the survival of the Christian religion When statistics tell us that approximately 90% of Americans have premarital sex and 87% of Australians believe premarital sex is morally acceptable why do many Christian organizations still promote purity culture It clearly does not work If we are going to talk about healthy sexual expression loving relationships and how to navigate consent we need to do so realistically Reconstructing Sexual Ethics opens up deeply honest and authentic conversations around topics like masturbation pornography consent rape contraception abortion homophobia and queer affirmation exploring how the author has evolved in these and many other areas and challenging the church to do the same Part memoir and part manifesto this book reframes Christian sexual ethics in profoundly important ways elevating the love and grace of God above Evangelical purity culture It has the power to radically transform conversations around various aspects of our sexuality within the Christian religion and broader society Endorsements Reconstructing Sexual Ethics is a courageous compassionate and deeply needed work With honesty theological depth and a commitment to love and justice Eady Jay dismantles harmful purity culture teachings and charts a healthier grace filled path forward This book gives voice to those who have long wrestled with shame and silence and it offers a vision of sexuality that is life giving liberating and faithful Rev Brandan Robertson author of Queer Christian Reclaiming the Bible our Faith and our Place at the Table Eady Jay goes there She transparently and bravely deconstructs and breaks down the oppressive forces of puritanical culture that she was raised with and that are still embedded in mainstream culture today You may or may not agree with everything she has written but we are all better for it Why Because exploring the relationship between faith and sexuality serves to liberate us from centuries of our joy being suppressed and our sexuality being oppressed She writes with abundant grace keen insights and a clear heart for Christ aiming to reform our relationship with our bodies one another and God I have no doubt that her words will illuminate others on a similar journey Chantal McKinney author of Following Jesus Beyond Church Walls This is a book I have always wanted to write and Eady Jay has done it better Gripping accessible and humble in its wrestling with the Scripture tradition and ordinary life her story welcomes readers across the spectrum of faith and sexuality to find inspiration challenge and even affirming echoes of their own experiences Vulnerability and courage write themselves across every page in the unanswered questions honest explorations and uncertain steps that define a journey we all face in learning how to more fully embody the truth we see

about God in our diverse expressions of sexuality Dr Kevin Jenson theologian and author of Sacred not Sinful A New Christian Ethic Reconstructing Sexual Ethics is a refreshingly frank yet deeply pastoral reimaging of Christian sexual ethics It affirms the essential dynamics of queerness gender equity and consent offering clarity and compassion for those seeking a more just and loving vision of sexuality Alongside other voices that deepen intersectionality and expand its scope it is an important and thought provoking resource that I highly recommend Jamie Arpin Ricci founder of The Rainbow Well Eady Jay has given us something remarkable in Reconstructing Sexual Ethics With honesty and courage she speaks directly to those who have deconstructed some or all of their faith weaving together deeply personal stories with a thoughtful and robust theological vision The result is an invitation into a sexual ethic free from the harmful rhetoric of purity culture and grounded instead in freedom dignity and grace Jessica Vanderwyngaard Producer of I Survived I Kissed Dating Goodbye and the Where Do We Go From Here Podcast

Faith Lies Darrell Smith, 2019-01-08 Faith Lies 7 Incomplete Ideas That Hijack Faith and How to See Beyond Them is for people noticing the cracks in the foundation of their faith as well as those who feel they have been hurt or discarded by a God or a faith that just does not make sense Faith lies are those seemingly required religious ideas or spiritual beliefs that are often confusing and rarely helpful LIE 1 The Bible is the Literal Word of God The Bible is not the written record of God's dictation God was most certainly the inspiration for the Bible but not the medium People were the medium they did the storytelling the writing the selecting and the interpretation that resulted in the Bible The Bible is not God's Bill of Rights and Constitution Rather it is a divinely inspired story of progression that should open things up rather than constrict and regulate LIE 2 God is Angry and Doesn't Like Me Especially When I Sin Instead of perceiving God as a loving parent many of us understand God as a cosmic scorekeeper intent on our purification Understanding God as a loving parent not only requires a reframing of our perception of God but also invites us to see each other and ourselves as beloved children LIE 3 The Devil is God's Counterpart This is the bad idea that the Bible presents a continuous consistent narrative about the devil It simply does not Moreover when we string together what we actually have disparate statements about Satan made by different people from different places languages cultures and times we arrive at the strange notion that there is a good God who is responsible for the good things in our lives and a bad God Satan who handles the bad stuff LIE 4 I Am Supposed to Protect and Defend God and My Faith There are real tensions and conflicts around the globe today that are built on the notion that as people of faith one of our jobs is to defend our faith or our God Rather than settling for a God who needs our protection we can follow the powerfully divine thread of moving beyond the tribe that is found throughout the Bible LIE 5 There is One Right Way to Believe and One Right Way to Behave One of the root lies of fundamentalism in all faiths is the notion that true faith is defined by believing the right things and acting the right way Isn't it more likely that we are all part of a diverse creation that flows from a God that cannot be contained by any one belief or behavior LIE 6 Faith is a Private Matter Much like whom we voted for in the last election or how much money we make people have wrongfully accepted the

idea that faith is a private matter and not to be shared with others The spiritual life has always been a communal life We require others to undertake our journey and others need us too LIE 7 Real Faith is Blind Belief The idea that true faith has no doubts or questions creates a powerless and impotent faith that discourages critical thinking and fosters the ridiculous assumption that science and faith are unrelated Real faith actually requires doubt criticism and exploration in order to change us let alone change the world While the loud voices at the margins adamantly declare faith either completely irrelevant or capable of being contained in one narrow ideology most people get lost in the mix feeling no certainty or comfort in either direction Faith Lies deconstructs the terrible notion that faithlessness and fundamentalism are our only options

The Devil's Redemption : 2 Volumes Michael J. McClymond, 2018-06-05 2018 Book Award Winner The Gospel Coalition Academic Theology A Choice Outstanding Academic Title for 2019 Will all evil finally turn to good or does some evil remain stubbornly opposed to God and God s goodness Will even the devil be redeemed Addressing a theological issue of perennial interest this comprehensive book in two volumes surveys the history of Christian universalism from the second to the twenty first century and offers an interpretation of how and why universalist belief arose The author explores what the church has taught about universal salvation and hell and critiques universalism from a biblical philosophical and theological standpoint He shows that the effort to extend grace to everyone undermines the principle of grace for anyone

The Simple Secret Joshua Graves, 2023-03-28 Jesus understanding of love separates him from many of the great religious leaders in world history Jesus believed it was possible to love every person we encounter children partners friends strangers the vulnerable the poor enemies and planet Earth itself The meaning of life is not mysterious after all According to Jesus the purpose of our existence is to love and be loved When we take our last breath our life will be measured by the love we gave to each person we encountered The secret of life it turns out is not a secret at all

The ZimZum of Love Rob Bell, Kristen Bell, 2014-10-20 Sunday Times bestselling author Rob Bell is joined in this book by his wife of twenty years Kristen to present a new way to make marriage work Marriage is complex because people are complicated You think you re one But then there are moments when it s shockingly obvious that you re two with two opinions whether over politics childrearing or what you re going to watch on TV So how do you stop yourself flaring up when you hit one of these relationship flashpoints and start seeing marriage as a chance for you to learn more about the person you want to know best of all Early on in their marriage Rob and Kristen experienced the struggles and fights that come to all couples They still do But they quickly learned that a great

marriage needs to be focused and nurtured and that fights should be as productive as possible In this inspiring and humorous insight into marriage the popular husband and wife team explore communication dealing with relatives money sex petty fights work and boundaries as well as love forgiveness fidelity faith and hope because something special can happen when two people give themselves fully to each other With extensive discussion points in the endnotes this easy to read book is invaluable for anyone searching for a happy fulfilling relationship *The Encyclopaedia Britannica* Hugh Chisholm,1911
