 Through Art takes an innovative look at artists experiences of undertaking doctorates and asks If the making of art is not
 simply the formulation of an object but is also the formation of complex ideas then what effect does academic enquiry have
 on art practice Using twenty eight pictures never before seen outside the artists universities Thinking Through Art focuses
 on art produced in higher educational environments and considers how the material product comes about through a process
 of conceiving and giving form to abstract thought It further examines how this form which is research art sits uneasily within
 academic circles and yet is uniquely situated outside the gallery system The journal articles from eminent scholars artists
