Paisajes De Guerra Con Chechenia Al Fondo:

Paisajes de guerra con Chechenia al fondo Juan Goytisolo, 1996 **Juan Goytisolo** Alison Ribeiro de Menezes, 2005 This book assesses Goytisolo's contribution to cultural debates in Spain since the sixties and revises the prevailing critical interpretation of his fiction arguing that his works represent an ethical engagement with postmodernist theory rather than an illustration of it This monograph offers two new perspectives on Spanish writer Juan Goytisolo First under the themes of authorship and dissidence it integrates his writing across several genres providing a rounded assessment of his contribution to cultural debates in Spain since the sixties and arguing that resistance to repressive discourses characterizes his essays and autobiographies as much as his fiction Second it revises the prevailing critical interpretation of Goytisolo's fiction by building on four premises that his novels are less clearly oppositional than prevailing interpretations imply that in order to engage with discourses of identity he employs an idiom which contrary to his own statements is not a poststructuralist autonomous world of words that a textual practice grounded in the recognizable experience of post Civil War Spain rather than one which seeks out the realm of pure textuality is essential to Goytisolo's subversive political intentions and that the autobiographical element of much of his work constitutes a more complex narrative aesthetic than has been appreciated The book argues that if Goytisolo's work is interpreted as an ethical engagement with postmodernist theory rather than as an illustration of it then certain contradictions for which he has been criticized are seen in a new and valuable light ALISON RIBEIRO DE MENEZES is a Senior Lecturer in Spanish at University College Dublin Paisajes de guerra Juan Goytisolo, 2001 Cuaderno de Sarajevo Argelia en el vendaval El polvo n de Gaza Paisajes de guerra con Chechenia al fondo
