went on to double cross both the authorities and his employers in one of the most extraordinary cases of global corporate corruption of the last thirty years **The Troubles in Northern Ireland and Theories of Social Movements** Lorenzo Bosi, Gianluca Fazio, 2025-10-01 This volume focuses on a number of research questions drawn from social movement scholarship How does nonviolent mobilisation emerge and persist in deeply divided societies What are the trajectories of participation in violent groups in these societies What is the relationship between overt mobilisation clandestine operations and protests among political prisoners What is the role of media coverage and identity politics Can there be non sectarian collective mobilisation in deeply divided societies The answers to these questions do not merely try to explain contentious politics in Northern Ireland instead they inform future research on social movements beyond this case Specifically we argue that an actor based approach and the contextualisation of contentious politics provide a dynamic theoretical framework to better understand the Troubles and the development of conflicts in deeply divided societies *Paisley's Pattern* LoRee Peery, 2015-08-05 Paisley and Rob love each other but neither is willing to correct what needs to be fixed in their relationship so Paisley relocates out of state When she discovers a secret that may repair Rob s view of his past she reaches out Rob is still bitter over Paisley s inability to commit and her habit of running but he believes she sincerely cares for him so he investigates her claim to have found his unknown heritage After the emotional turmoil of meeting a family he knew nothing about Rob s love for Paisley convinces him to reconcile their differences His world is incomplete without Paisley However she is reluctant to move forward and has an opportunity to flee again Will Rob help convince Paisley the answer is not to move again but lies with the Lord or will Rob lose Paisley forever *The Pioneer of Wisdom* , 1890 **Sexology** , 1979
