Sloan, 2019-04-12 A keto or ketogenic diet is a really amazing low carb diet that can assist you in burning fat more competently So many people by now have experienced its numerous established benefits for health weight loss and performance The diet compels the body to break down fats sooner than carbohydrates Usually the carbs in food are changed to glucose which is then moved around the body and is especially significant in aiding brain function The brain uses up lots of energy from day to day and it can not directly run on fat The brain can only function on glucose or you can say ketones Then again if little carbohydrate lingers in the diet the liver then alters the fat into fatty acids and ketone bodies Ketones are formed if you eat very few carbs which are instantaneously broken down to blood sugar and only reasonable amounts of protein A ketogenic diet helps in controlling blood sugar level It is outstanding for administrating type 2 diabetes at times even leading to a total reversal of the disease This claim has been certified in studies It makes wonderful sense since keto lowers blood sugar levels it decreases the need for medications and reduces the potentially negative impact of high insulin levels As a person on a Ketogenic Diet you have been missing eating bread and its great savor because you have been told not to eat it so you can have a quick enough transition into Ketosis One common food people tell me they miss most after going keto is bread And cakes or cookies I get it bread is as old as mankind if you ask me and is undoubtedly a comfort food Growing up it was not unusual to eat toast for breakfast a sandwich for lunch and maybe even a slice of bread buttered for dinner Not only is that plenty of carbs but it is also a lot of empty calories when we could have been eating real food substitutes like bread made from nutrient dense ingredients This is why I experimented to come up with diverse and Delicious keto bread recipes that I m sure you will love Thank me later Now is the time for you to be happy because in this book you will have access to more than 65 Low Carb Cookies Ketogenic Bread Snacks Muffins and deliciously tasty pizza I know you would say pizza but yes pizza Lose Weight and live a Healthy life in the right way while maintaining a Ketogenic Diet Course Buy this book to unravel the secrets behind people with great body and sound health and recommend it to your friends also Thanks **Healing Chronic Candida**
