Cabarrus Jr,2013-02 Henry W Cabarrus Jr s formative years occurred during the Civil Rights Movement in the United States A young black male seeking self identity through family and work Henry struggled to find himself amidst the surrounding social cacophony In 1954 the US Supreme Court ruled that segregation in US schools was unconstitutional The decision kicked off a massive resistance movement in Virginia where Henry s family lived In response to the resistance it was ruled that operation of public schools was a local option for the state s counties and cities and no provision was made for educating the county s black children With no education prospects or family support Henry found himself saved from a near suicide attempt He left Virginia in pursuit of a formal education and his place in the world College was a struggle but Henry prevailed graduating with a 4.0 GPA from Saint Paul s College Henry s memoir *Many Broken Promises and Yet I Stand* is part history part relationships and part social commentary

nearly a half of a century In Newsroom Buddies Sandi and John alternate their personal stories of working together for more than twenty two years from the late 1960s through 1990 They tell how they enjoyed the high points of life as journalists and how they handled being survivors as they watched the company they loved dwindle to a mere shadow of what it once was Even as life took them in different directions they came together once again through their love of writing It was a friendship only one event could separate Praise for Newsroom Buddies It s very touching and obviously a great read for anyone with UPI in his blood Tom Foty CBS Radio News Interesting the way alternating chapters tell the story of the glory days of a once prominent wire service Ron Cohen coauthor of Down to the Wire
