Black Friday William W. Johnstone, J.A. Johnstone, 2016-08-30 From the New York Times bestselling authors the explosive story of a terrorist attack on American soil on the biggest shopping day of the year On Black Friday the American Way Mall is packed with holiday shoppers and bargain hunters Suddenly machine gun fire rings out and within minutes hundreds are dead or dying Others are taken hostage by an army of fanatical Middle Eastern terrorists ready to blast the American Way Mall into a pile of rubble But one man Iraq War vet Tobey Lanning refuses to go down without a fight Separated from his soon to be fianc e Lanning finds himself on the frontlines of a new war against terror With thousands of innocent lives at stake Lanning assembles a makeshift platoon of Black Friday shoppers a teenage security guard a retired Chicago cop a teacher who's never fired a gun a young ex con who has a soccer mom a priest and a wheelchair bound WWII vet These brave Americans will stand up and meet the enemy face to face They will defend their land and if necessary pay the ultimate price for freedom **Black Friday** TOM DICAPRIO, 2013-10-03 A nation has become divided by another controversial presidential recount Not only does the controversial recount threaten to bring down a presidential administration and a prominent Internet company but it has also given al Qaeda an opportunity to strike in a way that it has never done before The time honored tradition of Americans shopping the day after Thanksgiving is the only thread that now unites America it could become the opportunity to take down the United States which al Qaeda has long dreamed of Can the various governmental agencies stop the attack from happening Are there also elements from within that are planning to strike the United States as well If all efforts to thwart our enemies fail the day Black Friday could have an entirely new meaning *Black Friday* Greg J. Gardner, 2019-07-03 Greg J Gardner brings to life the darkest terror attack America has ever faced when a small enclave of Islamic extremists works to bring about the collapse of the American ideal Gripping engrossing and graphic without being

grotesque the story follows a small but well trained group of terrorists who attack busy shopping centers and grocery stores during the height of holiday shopping and the busiest day of the year Black Friday From the bloody front line to the CNN news desk and from California to the Oval Office Black Friday details the attack from the moment it begins in the small town of Boone North Carolina Simultaneously in several states jihadist teams open fire on shoppers with semiautomatic weapons killing thousands in minutes As America reels from this attack another begins Hell bent on the destruction of America and willing to give their lives the terrorists will stop at nothing to kill as many innocent people as possible dividing America in the process and turning neighbor against neighbor As race and religious differences threaten to push the country apart the American people must fight to overcome differences and band together to conquer a common enemy While it augurs an effect on the United States more eerie than a prolonged nightmare Black Friday sets forth in convincing detail what a small enclave of Islamic extremists could do to bring about the collapse of the American ideal Indeed in this breakout novel by Greg Gardner a cadre of terrorists brings about a transformation in this country that no one now anticipates And yet Gardner s narrative of unfolding horrors is neither a condemnation of Islam nor anthem to America s virtues It is a play by play through a harrowing month in the tribulation of ordinary people who comprise the bedrock of America during the course of a continuing nationwide atrocity Gripping engrossing and graphic without being grotesque I can argue that Black Friday is precisely what would happen from the White House to the newsrooms across the continent to the back roads around every town when a few dozen well trained well coordinated and determined fanatics do what in their perverse minds God demands of them David A Woodbury author of Tales to Warm Your Mind Ten Whimsically Morbid Short Stories The Clover Street News Fire Wind Yesterday A Tale of Ukraine and Khazaria and Babie Nayms Baby Names **That Black Friday Crash** J. R. Roberts,2010-01-28 This all began with a simple desire to find out why the Tiger Woods media coverage wouldn t go away a fortnight after the car crash and the revelation of extra marital transgressions With a war raging on in Afghanistan pending health legislation an on going economic depression etc why was this story making headlines In my quest for answers I turned to the online community As I read through various blogs comments message boards etc I began to see why this saga was a major discussion topic amongst folks online This story is an online chat room dramatization of actual online user comments gleaned from a number of social media sites blogs chat rooms and online news message boards Actual usernames locations and specific references have been altered to protect the identities of the online users featured in this story The comments views and experiences cited are real though and in no way reflect my personal views opinions or experiences *Black Friday and the Girl with Purple Eyes* Travis Gill,2017-09-04 On a rainy Black Friday in the city of San Francisco a cozy coffe shop serves sanctuary and lattes at the assistance of a lone employee a kind young woman with red hair and purple eyes Trickling inside the cafe one by one the guests soon discover that each of them has something in common something that will bring the escaped chaos of the shopping frenzy right into their comfortable hideaway Cover
