Love at First Sighting Mallory Marlowe, 2025-08-12 A chance at love might not be out of this world in this astronomically charming romantic comedy from the USA Today bestselling author of Love and Other Conspiracies Los Angeles social media influencer El Martin seems to have a picture perfect life But what El wants more than anything is to find something real to make her heart race in a way it hasn t in years She doesn t expect that feeling to come from capturing footage of an unidentified flying thing much less from the charming Man in Black who keeps following her around Agent

Carter Brody is trying his best to keep the Private Intelligence Sector afloat by dragging their hopelessly out of date office into this century even though what he really wants to do is follow in his father's footsteps by identifying and hiding extraterrestrial sightings. He gets his chance after being assigned to El's case and is stopped in his tracks not only by her ingenuity and confidence but also by an unnerving coincidence her sighting looks eerily like what Carter himself saw right before a family tragedy. The deeper El and Carter fall into the mystery the harder it is for them to ignore their growing chemistry as their own alien feelings become dangerously terrestrial.
