Most popular by far is El Camino de Santiago de Compostela the ancient Christian pilgrimage route that has been travelled for over a thousand years to the Cathedral of Santiago de Compostela where legend has it the bones of St James are buried. This guide follows the most popular route starting at St Jean Pied de Port in south west France and heading all the way westwards across northern Spain for 800km to finish at Cape Finisterre on the Atlantic coast. Now extending its series of Trail Guides beyond the UK for the first time Aurum publishes the first compact one volume guide to the path fully illustrated with photography. It offers comprehensive route directions, sectional route maps, gradient profiles, a history of the route and details of sights to see and separate chapter guides to the main cities along the way like Pamplona and a list of accommodation en route **Recent Advances in Material, Manufacturing, and Machine Learning** Rajiv Gupta, Devendra Deshmukh, Awanikumar P.
