to escape with his soulmate he is convinced by his son to return to the family and try to put the relationship with his wife Lacy together Needless to say it was a difficult road to travel Over the course of the spring and summer Brian could not get him out of his head even after a number of family trips in a new motor home along with a family wedding When following his soulmate on his LinkedIn page and liking all of his postings Brian got up enough courage to reach out It took some time but the connection worked When Brian announced to his close coworker that He was back he asked Do you still love him He said he never stopped A long road in the changing of life kept Brian going even after loss and a sudden career change With many mountains to climb the road was difficult and tiring Keeping the faith would a long term relationship with his soulmate work Only time will tell
