Reinvention Made Easy Jim Mathis,2011-08-01 Change Your Strategy Change Your Results This isn't your average business motivational book It's

different Jim Mathis The Reinvention Strategist doesn't soft step around the issues here You are either down or you are different You are either a loser or a leader he says You won't find a load of motivational platitudes that lift you higher You won't find cute sayings that make you feel warm and fuzzy What you will find is successful systems and processes to reinvent yourself in challenging economic times Methods many others are implementing right now as you read this Reinvention Made Easy is your personal and professional guide to knowing how to play the game and win You will find stories of people and corporations that went all in and won the entire pot You will recognize pitfalls to bypass and see the mistakes made by others and how to avoid them In the end you will know what strategies work for you and which don't You will be different Do you need this book If you aren't aware of your responses to any of the questions raised in Reinvention Made Easy you do Is there a dinosaur in your room Can building community at work save your organization Are you punishing your customers for doing business with you What are the 7 Sweatin Questions you need to ask your executive board Why don't people buy what you think you sell Do you see yourself as a loser or a leader in the new economy The simple truths in this book can and will make you better You may not agree with all of them but you can't put it down without thinking about what you read inside You can influence more people by what you learn from these pages than you could have ever imagined You will see that reinvention is easy Deciding to start it is the real test Are you ready to be different

Start with What Works Andy Bass, 2021-05-01 Start with What Works helps you to create new growth opportunities using the resources you already have at hand It sounds obvious but frequently managers discount the value of their familiar resources and instead they look outside for something new This can demotivate employees and be costly in terms of money and time It's often a lot quicker cheaper and safer to see your existing resources with fresh eyes This book shows you how to recognise overlooked potential in existing resources and how to flip the right switches to activate that potential Covering ten lessons you can use for a variety of situations each will feature a case study and a new mindset to adopt With practical tools and templates each will trigger fruitful discussions and insights for your organisation You'll learn how to apply them to the situations you face so that you can identify new opportunities and turn those opportunities into action

PC World, 2008-07 *Design, User Experience, and Usability.
