Barton,2013-01-01 What would you

do if everything you worked hard for was taken away from you suddenly Megan Reed had studied for 9 years to become a doctor and was only waiting on the exam results when her friend Alfred Deveron changed her fate that day He didn't look right Actually he looked dead He approached her needing to feed and that would change everything as she knew it He had changed her and now he was gone leaving her the desire and urge for fresh blood to feed from Megan felt as if she were a monster and would never be able to become the doctor she wanted so badly to be But while working with Thomas Reilly at the clinic he knew she was more than a janitor and with a little coaxing she was going to be a doctor If she wasn't living in the trunk of her car she was staying in a cave Beau Desjardin was going to visit his long time friend Kyle and his wife Maddy He was once a master and had retired with honor among his kind It was time for him to move on While going to the Blood Moon he meets with Megan The attraction between them is unbelievable and he knows now that he has met his mate The French he speaks will make your heart melt Some kind of Creature is looking for her and needs to bring her to Samuel Rome the one that wanted her created But what is his mission for her and what are the plans for her new life as it is Can Beau save Megan from the claws of these men What more is there to Megan than just being a vampire now Welcome back to the 11th book in the Aaron's Kiss series and see how the characters have grown and what new adventures await them

Rembrandt Kathi S. Barton,2015-01-09 1800 years ago It was time for him to die Rembrandt was ready He had put up a good fight and nearly died twice that day but now he was done and he was ready to die on the battlefield with the rest of his brethren Death would be merciful He would finally be with his wife and children A being clad in black had other ideas Rembrandt was meant to help him fight his cause and to help right a wrong that his kind had brought to this world He gifted

the reluctant Rembrandt with a taste for blood and immortality and more so much more Back to the present Rembrandt had had enough He was over this life 1800 years ago and now he was just sick of it The creatures he fought the malefactors kept growing in numbers and he couldn't kill them fast enough to keep up He had fought the battle alone all these years and he wasn't sure he even wanted to anymore Skylar Manning was just trying to be nice The mysterious man dressed in black was hanging around after closing again It was the third time this week Only this time he grabbed her arm Her world changed forever Suddenly she found herself hunted by shadowy figures with razor sharp teeth and into the arms of a warrior who craved her as much as she did him *Larson* Kathi S. Barton, 2017-11-30 Virginia is a bestselling paranormal romance author She does much better with her stories than with people When she's in her writing zone she won't even eat unless her mother hands her a plate and reminds her to do so She wouldn't be making the trip to the McCulloughs if it wasn't absolutely necessary Go see the child and make sure he has a good home That is the plan Simple not Larson is having his own issues Being blamed for the murder of one of his clients which he didn't do has him closing up shop and laying low for a few days His mom insists that he show up for dinner to meet their visiting guests Larson would rather stay home but she'd have his hide if he did Larson sees the beauty from across the room and makes his way to her Before he even reaches her he catches her scent She is his mate Now what is he supposed to do He has his life just the way he wants it and a mate wasn't figured into that equation On the other hand the way she flushes when she returns his stare has him thinking anything but pure thoughts Maybe having a mate wouldn't be so bad after all **Parker** Kathi S. Barton, 2016-10-03 Who rescued who was still a little vague but they escaped just the same The lab called him SA 8 and they had made him into a very powerful weapon But to Reese he was just Josh a boy that could do amazing things but a boy nonetheless not a lab rat That was two years ago the lab had been relentless and lethal in their pursuit With her big rig running on fumes and their last dime spent they wound up in a small town in Ohio Parker McCullough found an abandoned big rig parked on his land It had been there a few days and he wasn't quite sure what to do about it Calling the authorities seemed like the logical thing to do but when he tried to do so his cell phone went flying from his hand and a teenage boy appeared from nowhere Parker thought the boy was an Elite Shifter and after hearing a little of the boy's story he wanted to help Reese didn't know who all these people were but if she and Josh didn't get away from them the others would find them and they'd all be dead just like all the other people who had tried to help them along the way And now the gorgeous shifter Parker had her trapped in the kitchen claiming to be her mate She didn't have time for herself and she didn't want to see them all die because they'd helped her and Josh Reese was out of options *Ian* Kathi S. Barton, 2020-08-04 Things hadn't been going very well for Lucy and her two sisters When their parents died their uncle had moved in and took over The girls apparently were too much trouble to worry about so he'd dumped them onto the streets to fend for themselves It was just luck that Ian McCray and his family had found Lucy that day Both Lucy and her sister Jilly were in bad need of medical attention Ian was just thrilled to have found his mate alive In their

situation it could have been much worse Lucy was thankful for the help but she was just going from one man to another lording over her and dictating what she could and couldn't do It was marry Ian or lose her sisters for good Ian was a nice man but she was tired of everyone telling her what to do **Steele** Kathi S. Barton,2015-04-03 Steele Bennett was born with a gift but he sees it more as a curse he can see and speak with spirits And when he loses his twin sister at seventeen he wants to turn his back on life block his heart so that he never has to feel the sharp pain of loss again The small bar Kari Briggs runs is failing fast She hasn't seen the owner in three months past due notices are piling high and her last paycheck bounced twice And if she doesn't pay the delivery guy soon there'll be no more supplies She has trouble enough controlling her cat so the last thing she needs tonight is trouble But those guys at the bar won't listen and take it outside Deciding to take matters into her own hands she is shocked when a tall stranger grips her arms from behind and her cat wants to roll over and purr From the moment Steele touches her she knows he's her mate And Steele thinks he can just get her out of his system with sex and a lot of it he won't mark her and she can't mark him no permanent attachments But that's not how it works with a shifter She will die if her cat can't get what she needs from him She will love him because she has no choice he is her mate but that is a secret she is willing to take to her grave
