Amazon This Week:

Amazon Natalie Berg, Miya Knights, 2019-01-03 What is the secret to Amazon's success? What does the ecommerce giant have in store for the future? Explore the disruptive new retail strategies of the world's most relentless retailer and gain valuable lessons that can be applied to any business in the ecommerce sector with original insight from the company as it continues to revolutionize itself even further. The retail industry is facing unprecedented challenges. Across all sectors and markets, retailers are shifting their business models and customer engagement strategies to ensure they survive. The rise of online shopping and its primary player, Amazon, is at the heart of these changes and opportunities. Amazon's relentless dissatisfaction with the status quo is what makes it such an extraordinary retailer. This book explores whether Amazon has what it takes to become a credible grocery retailer and as it transitions to bricks and mortar retailing, investigates whether Amazon's stores can be as compelling as its online offering. Exploring the ecommerce giant's strategies, Amazon offers unique insight into how innovations such as voice technology, checkout-free stores, and its Prime ecosystem will fundamentally change the way consumers shop. Written by industry-leading retail analysts who have spent decades providing research-based analysis and opinion on retail strategy and enterprise technology use in retail, Amazon analyzes the impact these initiatives will have on the wider retail sector and the lessons that can be learned from its unprecedented rise to dominance as stores of the future become less about transactions and more about experiences.

Ultimate Guide to Amazon Advertising

Timothy P. Seward, 2019-05-21 This timely book is perfect for every brand or product marketer who wants to fully leverage the Amazon platform both for sales and brand exposure. Timothy's practical step-by-step advice is simple to follow and put into practice. Steve Fisher, team lead retail marketing, Lenovo. This book should be called the Ultimate Guide to Amazon because it's so much more than just advertising. It's really about building your brand on Amazon. Timothy is able to walk someone through how to do this step by step. It was easy to follow. I really enjoyed it. Michelle Reed, senior vice president, Perry Ellis International. Expand Your Brand Online and Offline with Amazon Advertising. Amazon is where consumers search, learn about, and shop for your products, whether from you or another seller. And with 310 million active users and counting, this is the ecommerce platform you can't afford to ignore. Amazon advertising and customer growth expert Timothy P. Seward shares nearly two decades of expertise in retail and ecommerce to lift the veil on doing business on Amazon. Seward shows you how to build an aggressive, streamlined advertising campaign, increase your search visibility, consistently capture consumer demand, and accelerate new product sales without big budget national ad campaigns. You'll learn how to determine if Vendor Central or Seller Central is right for your brand, capture new customers through Sponsored Product Campaigns, apply the five essential elements of a high-quality product detail page, establish metrics, evaluate performance against keyword types, and perform competitive analyses. Add negative keywords that can benefit your advertising campaigns. Apply Amazon's secret formula for long-term winning.
