Plunge into a thrilling adventure tracking domestic terrorists in book 7 of the acclaimed Maggie O'Dell series from New York Times bestselling author Alex Kava. On the busiest shopping day of the year, a group of idealistic college students believe they're about to carry out an elaborate media stunt at the largest mall in America. They think the equipment in their backpacks will disrupt stores' computer systems, causing delays and chaos, disrupting capitalism if only for a moment. What they don't realize is that instead of jamming devices, their backpacks contain explosives. And they're about to become unwitting suicide bombers. FBI profiler Maggie O'Dell must put her own political troubles aside to work with Nick Morrelli and figure out who's behind this terrorist plot: a massacre that's all the more frightening when a tip reveals that Maggie's brother is one of the doomed protestors. Originally published in 2009. Black Friday Peter Aitchison, 2018-04-12. The true story of a small fishing village in 19th-century Scotland and the deadly storm that left tragedy in its wake is recounted in this gripping read. Scotsman UK. On October 14th, 1881, a severe windstorm struck the southeastern coast of Scotland, devastating fishing communities throughout the region. In all, 189 fishermen were lost in a single afternoon; 129 of them hailed from the village of Eyemouth. In **Black Friday**, Scottish historian Peter Aitchison recounts the astonishing story of that storm and its tragic aftermath. Aitchison combines larger historical context with personal accounts of fishermen caught in the maelstrom and their families waiting anxiously for news. It is a story of a poor community driven to desperate measures by an onerous tithe system and a time when Eyemouth was the center of a massive smuggling ring. As a direct descendent of the community, Aitchison does more than simply spin a good yarn. He offers rare insight into how these fishermen plied their trade, led their lives, and met their fate. **Black Friday** was previously published as *Children of the Sea*. **Thanksgiving** Melanie Kirkpatrick, 2021-10-05. We all know the story of Thanksgiving. Or do we? This uniquely American holiday has a rich and little-known history beyond the famous feast of 1621. In **Thanksgiving**, award-winning author Melanie Kirkpatrick journeys through four centuries of history, giving us a vivid portrait of our nation's best-loved holiday. Drawing on newspaper accounts, private correspondence, historical documents, and cookbooks, **Thanksgiving** brings to life the full history of the holiday and what it has meant to generations of Americans. Many famous figures walk these pages: Washington, who proclaimed our first Thanksgiving as a nation amid controversy about his Constitutional power to do so; Lincoln, who wanted to heal a divided nation sick of war when he called for all Americans North and South to mark a

Thanksgiving Day FDR who set off a debate on state's rights when he changed the traditional date of Thanksgiving Ordinary Americans also play key roles in the Thanksgiving story the New England Indians who boycott Thanksgiving as a Day of Mourning Sarah Josepha Hale the nineteenth century editor and feminist who successfully campaigned for Thanksgiving to be a national holiday the 92nd Street Y in New York City which founded Giving Tuesday an online charity established in the long tradition of Thanksgiving generosity Kirkpatrick also examines the history of Thanksgiving football and of course Thanksgiving dinner While the rites and rituals of the holiday have evolved over the centuries its essence remains the same family and friends feasting together in a spirit of gratitude to God neighborliness and hospitality Thanksgiving is Americans oldest tradition Kirkpatrick's enlightening exploration offers a fascinating look at the meaning of the holiday that we gather together to celebrate on the fourth Thursday of November With Readings for Thanksgiving Day designed to be read aloud around the table
