How You Can Fit Exercise Into Your Busy Schedule , , **American Sirens** Kevin Hazzard, 2022-09-20 The extraordinary story of an unjustly forgotten group of Black men in Pittsburgh who became the first paramedics in America saving lives and changing the course of emergency medicine around the world Until the 1970s if you suffered a medical crisis

your chances of survival were minimal A 9 1 1 call might bring police or even the local funeral home But that all changed with Freedom House EMS in Pittsburgh a group of Black men who became America's first paramedics and set the gold standard for emergency medicine around the world only to have their story and their legacy erased until now In American Sirens acclaimed journalist and paramedic Kevin Hazzard tells the dramatic story of how a group of young undereducated Black men forged a new frontier of healthcare He follows a rich cast of characters that includes John Moon an orphan who found his calling as a paramedic Peter Safar the Nobel Prize nominated physician who invented CPR and realized his vision for a trained ambulance service and Nancy Caroline the idealistic young doctor who turned a scrappy team into an international leader At every turn Freedom House battled racism from the community the police and the government Their job was grueling the rules made up as they went along their mandate nearly impossible and yet despite the long odds and fierce opposition they succeeded spectacularly Never before revealed in full this is a rich and troubling hidden history of the Black origins of America's paramedics a special band of dedicated essential workers who stand ready to serve day and night on the line between life and death for every one of us *Machinations of the Space Princess (Colour)* James

Desborough, 2013-06-29 *Machinations of the Space Princess* is a Science Fantasy role playing game That means it's very much about style over substance mixing science fiction magic and psionics in a game world that owes much more to Metal Hurlant and Star Wars than it does to 2001 or Bova's Grand Tour This is a game of strangeness and fun of space pirates and beautiful alien princesses of living planets and robot hordes of blasters at noon This is Sexy sleazy swords and sci fi A full game combining old and new school thinking packed with GM and player advice and with simple tools for creating your own monsters adversaries weapons armour ships and alien races **Newsweek**, 2004 Popular Science, 2002-05 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better
