Netflix Nations Ramon Lobato,2019-01-08 How streaming services and internet distribution have transformed global television culture Television once a broadcast medium now also travels through our telephone lines fiber optic cables and wireless networks It is delivered to viewers via apps screens large and small and media players of all kinds In this unfamiliar environment new global giants of television distribution are emerging including Netflix the world s largest subscription video on demand service Combining media industry analysis with cultural theory Ramon Lobato explores the political and policy tensions at the heart of the digital distribution revolution tracing their longer history through our evolving understanding of media globalization Netflix Nations considers the ways that subscription video on demand services but most of all Netflix have irrevocably changed the circulation of media content It tells the story of how a global video portal interacts with national audiences markets and institutions and what this means for how we understand global media in the internet age Netflix Nations addresses a fundamental tension in the digital media landscape the clash between the internet s capacity for global distribution and the territorial nature of media trade taste and regulation The book also explores the failures and frictions of video on demand as experienced by audiences The actual experience of using video platforms is full of subtle reminders of market boundaries and exclusions platforms are geo blocked for out of region users this video is not available in your region catalogs shrink and expand from country to country prices appear in different currencies and subtitles and captions are not available in local languages These conditions offer rich insight for understanding the actual geographies of digital media distribution Contrary to popular belief the story of Netflix is not just an American one From Argentina to Australia Netflix s ascension from a Silicon Valley start up to an international television service has transformed media consumption on a global scale Netflix Nations will help readers make sense of a complex ever shifting streaming media environment

Social TV Cory Barker,2022-06-27 Winner of the 2023 SCMS Media

Industries Scholarly Interest Group Outstanding Book Award sponsored by the Center for Entertainment Media Industries On March 15 2011 Donald Trump changed television forever The Comedy Central Roast of Trump was the first major live broadcast to place a hashtag in the corner of the screen to encourage real time reactions on Twitter generating more than 25 000 tweets and making the broadcast the most watched Roast in Comedy Central history The trumproast initiative personified the media and tech industries utopian vision for a multi screen and communal live TV experience In Social TV Multi Screen Content and Ephemeral Culture author Cory Barker reveals how the US television industry promised but failed to deliver a social media revolution in the 2010s to combat the imminent threat of on demand streaming video Barker examines the rise and fall of Social TV across press coverage corporate documents and an array of digital ephemera He demonstrates that despite the talk of disruption the movement merely aimed to exploit social media to reinforce the value of live TV in the modern attention economy Case studies from broadcast networks to tech start ups uncover a persistent focus on community that aimed to monetize consumer behavior in a transitional industry period To trace these unfulfilled promises and flopped ideas Barker draws upon a unique mix of personal Social TV experiences and curated archives of material that were intentionally marginalized amid pivots to the next big thing Yet in placing this now forgotten material in recent historical context Social TV shows how the era altered how the industry pursues audiences Multi screen campaigns have shifted away from a focus on live TV and toward all day content streams The legacy of Social TV then is the further embedding of media and promotional material onto every screen and into every moment of life

Dead Companies

Walking Scott Fearon, Jesse Powell, 2015-01-06 A hedge fund manager reveals how to spot a business on the verge of collapse and how to profit from it in this surprisingly entertaining guide Publishers Weekly Unlike most investors who live in fear of failure Scott Fearon actively seeks it out He has earned millions of dollars for his hedge fund by shorting the stocks of businesses he believed were on their way to bankruptcy In Dead Companies Walking Fearon describes his methods for spotting these doomed businesses and how they can be extremely profitable investments In his experience corporate managers routinely commit six common mistakes that can derail even the most promising companies they learn from only the recent past they rely too heavily on a formula for success they misunderstand their target customers they fall victim to the magical storytelling of a mania they fail to adapt to tectonic shifts in their industry and they are physically or emotionally removed from their companies operations Fearon has interviewed thousands of executives across America many of whom unknowingly were headed toward bankruptcy from the Texas oil barons of the 80s to the tech wunderkinds of the late 90s to the flush real estate developers of the mid 2000s Here he explores recent examples like JC Penney Herbalife and Blockbuster Entertainment to help investors better predict the next booms and busts and come out on top

Persuasion in the Media

Age Timothy Borchers, 2021-09-14 Persuasion in the Media Age addresses the impact of electronic media on the practice of persuasion and reviews constantly evolving digital strategies Today s world demands a new perspective on persuasion one

that is grounded in the assumption that human consciousness and culture have been forever altered by communication technology. The fourth edition provides timely examples of persuasion in political campaigns, social movements, marketing, and interpersonal relationships, and the role of social media and media technologies in all of the contexts. From advertisers to politicians to influencers to friends, persuaders use increasingly sophisticated strategies to sway behavior. Borchers skillfully weaves theory, research, and engaging examples to help readers understand the practice of social influence and to apply critical thinking skills to the persuasion they encounter daily. The text takes an interdisciplinary approach to provide the latest thinking on persuasion while also drawing on a broad theoretical base for foundational concepts such as attitudes, rhetoric, and human motivation. Throughout, Borchers emphasizes audience, storytelling, visual images, and ethics. This comprehensive, insightful, and accessible overview of persuasive communication teaches readers how to be skilled creators of persuasive messages as well as critical consumers.
