Penn Center A History Preserved A Sarah Mills Hodge Fund Publication:

Penn Center Orville Vernon Burton, Wilbur Cross, 2014-10-15 The Gullah people of St Helena Island still relate that their people wanted to catch the learning after northern abolitionists founded Penn School in 1862 less than six months after the Union army captured the South Carolina sea islands In this broad history Orville Vernon Burton and Wilbur Cross range across the past 150 years to acquaint us with the far reaching impact of a place where many daring and innovative social justice endeavors had their beginnings Penn Center's earliest incarnation was as a refuge where escaped and liberated enslaved people could obtain formal liberal arts schooling even as the Civil War raged on sometimes just miles away Penn Center then earned a place in the history of education by providing agricultural and industrial arts training for African Americans after Reconstruction and through the Jim Crow era the Great Depression and two world wars Later during the civil rights movement Penn Center made history as a safe meeting place for organizations like Martin Luther King Jr's Southern Christian Leadership Conference and the Peace Corps Today Penn Center continues to build on its long tradition of leadership in progressive causes As a social services hub for local residents and as a museum conference and education complex Penn Center is a showcase for activism in such areas as cultural material and environmental preservation economic sustainability and access to health care and early learning Here is all of Penn Center's rich past and present as told through the experiences of its longtime Gullah inhabitants and countless visitors Including forty two extraordinary photographs that show Penn as it was and is now this book recounts Penn Center's many achievements and its many challenges reflected in the momentous events it both experienced and helped to shape *Penn Center* Orville Vernon Burton, Wilbur Cross, 2014 Here is all of Penn Center's rich past and present as told through the experiences of its longtime Gullah inhabitants and visitors to St Helena Island It is the inspiring story behind the first school for former slaves from the Civil War through the civil rights movement illustrated in forty two captivating photographs *Publishers' International ISBN Directory*, 2000

The American South Jessica S. Brown, 1986 This two volume work with its almost 8 900 abstracts and annotations of articles drawn from an international list of over 500 periodicals dealing with history and related disciplines published between 1974 and 1984 Intro p viii **Who's who in the East**, 1977 Includes names from the States of Connecticut Delaware Maine Maryland Massachusetts New Hampshire New Jersey Pennsylvania Rhode Island Vermont and West Virginia and in Canada from the Provinces of New Brunswick Newfoundland Nova Scotia Prince Edward Island and Quebec also includes the eastern half of Ontario and no longer includes West Virginia 1994 *Penn Center* Orville Vernon Burton, Wilbur Cross, Emory Shaw Campbell, 2014 For more than 150 years the Penn Center located on St Helena Island South Carolina has been an epicenter of African American education historic preservation and social justice for tens of thousands of descendants of formerly enslaved West Africans living in the Sea Islands Founded in 1862 in the midst of the Civil War after the island was secured by Union troops the Penn School was established by two Northern missionaries Laura M Towne and Ellen

Murray to provide a formal education for former slaves who formed the nucleus of the coastal Gullah Geechee community. Burton and Cross examine the intricate history and evolution of the Penn Center over the past 150 years and place it in its modern context. In 1901 the Penn School expanded to become the Penn Normal Agricultural and Industrial School after adopting the industrial arts curriculum taught at Hampton and Tuskegee Institutes. The educational training stood at the forefront of progressivism and reform as it helped to advance an entire generation and community into the Industrial Age after slavery. This project makes a tremendous contribution with its examination of Penn Center's role in the Civil Rights Movement; it was the only location in South Carolina where interracial groups including Dr. King's Southern Christian Leadership Conference and the Peace Corps could have safe sanctuary in an era of mandated segregation. During the Sea Island resort boom of the mid to late 20th century the Penn Center was instrumental in preserving land on St. Helena. Since 1974 the campus of seventeen historic structures and eight other sites has been designated a National Historic Landmark District, one of only four in the state of South Carolina and the only African American historic district so named.
