The Handbook of Conflict Resolution Morton Deutsch, Peter T. Coleman, Eric C. Marcus, 2011-03-04 The

Handbook of Conflict Resolution Second Edition is written for both the seasoned professional and the student who wants to deepen their understanding of the processes involved in conflicts and their knowledge of how to manage them constructively. It provides the theoretical underpinnings that throw light on the fundamental social psychological processes involved in understanding and managing conflicts at all levels: interpersonal, intergroup, organizational and international. The Handbook covers a broad range of topics including information on cooperation and competition, justice, trust, development and repair, resolving intractable conflict and working with culture and conflict. Comprehensive in scope, this new edition includes chapters that deal with language, emotion, gender and personal implicit theories as they relate to conflict.

Electoral Conflict Management in Kenya Solomon P. K. Muhindi, 2019 Encyclopedia of Conflict Resolution Heidi Burgess, Guy M. Burgess, 1997-11 The Contemporary Legal Issues series addresses a wide variety of current controversial legal topics. Each book gives readers a practical understanding of a particular topic as well as sources for further information. Each title includes an overview of the topic, approximately 200 comprehensive entries on concepts, court decisions, people and organizations, bibliography, table of cases and index.

Theory and Research in Conflict Management M. Afzalur Rahim, International Association for Conflict Management. Conference, 1990-08-21 The twelve essays collected here offer a wide ranging look at the latest theory and research in conflict management. Organized around six broad topical areas, the volume explores organizational conflict, communication and conflict, negotiation and bargaining, mediation and arbitration, conflict in the public sector and international conflict. Interdisciplinary in scope, the essays are designed to help human resources professionals, industrial psychologists, managers and students of organizational behavior learn to manage conflict by identifying ways to maximize its positive effects while minimizing its negative and potentially disruptive influences. Each of the six sections includes two chapters and an introduction by one of the leaders in the conflict management field. Among the topics addressed are the goal interdependence approach to communication in conflict, applied communications research in negotiation, comparing hardline and softline bargaining strategies, consistency in employee rights, the effect of payoff matrix, induced competition and mediation in the People's Republic of China. The final two sections examine conflict in the public sector and international conflict with individual chapters on managing conflict in the policy process, the theoretical dimensions of environmental mediation, relationships of hierarchy and deterrence and the management of international conflict. Taken together, these essays provide a comprehensive overview of the current state of theoretical and applied work in conflict management.

The Psychology of Resolving Global Conflicts: Interventions Mari Fitzduff, Chris E. Stout, 2006 Reveals the psychological intricacies of war, conflict resolution and peace. Part of the Contemporary Psychology series, this book addresses ethnic conflict, torture and humiliation as a weapon and how issues related to religion and gender contribute to violent conflict.
