and Gender Equity Isabel Prochner,2023-12-19 Drawing on original designer interviews this book explores how design interventions can and do support sex and gender equity and what barriers still stand in the way Isabel Prochner not only brings attention to sex and gender problems related to design artifacts but also provides a unique overview of creative design responses to these issues The case studies and designer interviews provide new information about how designers can address these issues and the challenges they may encounter whether that s a lack of anthropometric data trouble finding investment and business support or even public resistance Prochner brings together primary and secondary research and the most contemporary theories on sex gender and design This book will be of interest to scholars working in design studies sex and gender studies social design design for health industrial design product design fashion design and interaction design

Wrong Fit, Right Fit Andre Martin,2023-09-12 We are in the midst of a crisis of commitment in the workplace organizations are searching for engaged employees talent and employees are looking for a place to thrive Both are struggling If we fit we hum we connect we create momentum and produce high value work with grace and ease But the wrong fit has serious consequences including frustration disengagement and disruption which undermines every aspect of daily work and the production of value Finding the right fit is hard Painfully hard The good news is there is a way forward Through his decades of experience and exhaustive research including intensive interviews with knowledge workers and leaders Dr Martin guides talent and organizations to find the right fit Through easy exercises clear insights and personal stories this book helps readers discover their perfect fit in the workplace And for employers Dr Martin utilizes policies communications training onboarding role descriptions and feedback to help them build a new path to worker engagement Wrong Fit Right Fit is for both talent and employers who are looking for strong compatibility for mutual success Now is the time to boost engagement inspiration well being and meaning in the work we do Now is the time to find a greater return in value for ourselves and our organizations Now is the time to find the right fit

Power, Discrimination, and Privilege in Individuals and Institutions Sonya Faber,Monnica T. Williams,Matthew D. Skinta,Bia Labate,2024-04-01 Individuals and systems are rife with prejudices leading to discrimination and inequities Examples of this include rejection of stigmatized groups e g Black Americans Indigenous people in Canada Roma peoples in Europe structural racism e g inequitable distribution of resources for public schools disenfranchisement of women employees e g the glass ceiling barriers to higher education e g biased admissions requirements heterosexism economic oppression and colonization When we take a closer look we find the core of the problem is imbalance in the distribution of power and its misuse
