Last Team Standing Matthew Algeo, 2013-09-01 An almost unknown chapter of sporting and American history Tracing the history of the National Football League during World War II this book delves into the severe player shortage during the war which led to the merging of the Pittsburgh Steelers and the Philadelphia Eagles creating the Steagles The team's center was deaf in one ear its wide receiver was blind in one eye and partially blind in the other and its halfback had bleeding ulcers One player was so old he'd never before played football with a helmet Yet somehow this group of players deemed unfit for military service due to age or physical ailment posted a winning record in the league to the surprise of players and fans alike Digging into the history of the war paralleled by the unlikely story of the Steagles franchise both sports fans and history buffs will learn about the cultural significance of this motley crew of ball players during a trying time in United States history

Saturday Millionaires Kristi Dosh, 2013-07-31 Last year Football Bowl Subdivision college football programs produced over 1 billion in net revenue Record breaking television contracts were announced Despite the enormous revenue college football is in upheaval Schools are accused of throwing their academic mission aside to fund their football teams The media and fans are beating the drum for athletes to be paid And the conferences are being radically revised as schools search for TV money *Saturday Millionaires* shows that schools are right to fund their football teams first that athletes will never be paid like employees how the media skews the financial facts and why the TV deals are so important It follows the money to the heart of college football and shows the real game being played covering such areas as Myth 1 All Athletic Departments Are Created Equal Myth 2 Supporting Football Means Degrading Academics Myth 3 College Football Players Could Be Paid Like Employees Myth 4 Football Coaches Are Overpaid Myth 5 A Playoff Will Bring Equality to College Football Myth 6 Only a Handful of Athletic Departments Are Self Sustaining The business of college football is unlike any other business *Saturday Millionaires* takes you behind the scenes and teaches you how to understand the industry from the inside out touching on such subjects as conference realignment pay for play conference television networks and where all those millions go at the end of the day

Pro Football and the Proliferation of Protest Stephen D. Perry, 2019-03-20 Pro Football and the Proliferation of Protest Anthem Kneeling and Standing in a Divided America examines the take a knee NFL protests a trend that has led to deep political divisiveness in America The author explores this phenomenon by incorporating analysis of media coverage impact on attitudes and behaviors and racial religious gendered and political perspectives The analysis allows readers to recognize both positive and negative prejudice and to proscribe possible solutions for political divisiveness Protesting anthems ceremonies and media coverage all demonstrate that this issue is a communication issue This book examines the voices on both sides of the kneeling controversy in order to uncover the points at which one side is communicating and the other side refuses to listen The studies in this volume look at the protest through four lenses historically through media coverage through impact on public behaviors and attitudes and from racial religious gendered and

political identification perspectives The contributors worked in conjunction with one another incorporating different viewpoints into each chapter as they were completed All studies were conducted under the guidance of the book's editor to separate the work effectively and to end in a set of voices that complement each other and allow for overall conclusions and recommendations This book is useful for a wide range of scholars including race religion political studies gender studies and communication studies

The Official NFL 2000 Record and Fact Book National Football League, Workman Publishing, 2000-07 For twenty years an indispensable resource of vital stats information trivia and more The Official NFL Record a complete listing of 1999 team and individual statistics the top individual rushing passing receiving and quarterback sack performances of 1999 2000 NFL draft summary game by game summaries of the 1999 season official records for postseason games Super Bowl and Pro Bowl career coaching records all time team versus team results and a special Inside the Numbers statistical highlights section

Real Football, Social Issues in Sport Ron Woods, 2015-11-06 Social Issues in Sport Third Edition explores common questions and issues about sport and its relation to society through various sociological and cultural lenses Author Ronald Woods draws on a lifetime in sport as a participant observer fan teacher coach administrator and critic to explore historical perspectives and complex relationships that have emerged between sport and our modern society The text's engaging writing style full color design and ample learning tools keep students engaged Social Issues in Sport Third Edition remains grounded in practical application and follows the framework of the previous editions to provide social theories through which students may examine real world issues Updated statistical information allows students to analyze trends in participation popularity gender race and class as they relate to sport The third edition also features the following enhancements New Applying Social Theory activities in each chapter that foster an understanding of social theories that ground the subject area Updated Activity Time Out Expert's View Pop Culture and In the Arena With sidebars that offer a contemporary context to which students can apply the concepts in the text Increased emphasis on emerging issues such as sport for development and peace as well as the growing role of electronic media Updated instructor ancillaries that provide assistance in lecture preparation and give instructors new ways to engage students and reinforce concepts found throughout the text Social Issues in Sport Third Edition is divided into four parts maintaining the student friendly format and accessibility of previous editions Part I presents the framework for study through defining terms and presenting six crucial social theories that are used throughout the rest of the text Part II addresses various forms of participation in sport from spectator to participant recreational to professional and explores sport marketing and commercialization as well as the close relationship between sport and media In part III the role of sport programs and player development from youth to intercollegiate as well as the crucial role of sport coach and its many responsibilities Part IV delves into sport and culture focusing on social classifications and their powerful effects on sport participation Ancillary materials are available to aid instructors using this text in the classroom An updated instructor guide includes chapter

summaries student objectives chapter outlines and additional student activities A test package chapter quizzes and presentation package provide instructors with support for lecture preparation and tools to ensure that students remain engaged Social Issues in Sport Third Edition provides the foundations for examining the multifaceted roles of sport and physical activity in society and for studying sport from a critical perspective The information and many activities used throughout the text invite students to understand and evaluate the sociocultural issues raised by sport and relate these themes to their own lives Through this in depth examination of sociocultural issues students will be able to understand and appreciate the development of sport as a part and reflection of the development of society Scholarships, Fellowships, and Loans S.
