Warner, Ph., 2012-01 The 32 Most Effective SAT Math Strategies gives you the most effective tips tricks and tactics from Dr Steve Warner a Math Professor and SAT math tutor whose students pay him 375 per session to access these exclusive strategies and powerful teaching methods The unique techniques Dr Warner teaches now available in his Get 800 collection of books are the most effective ever published and cannot be found in any other SAT prep book The material in this book includes 32 of the most effective SAT math strategies ever published 115 problems with solutions demonstrating how to use each strategy properly several different solutions for most solved problems Be careful Some of Dr Warner s students have shown such significant score increases that the test makers have accused them of cheating with no evidence besides their score increase from one SAT to the next If you feel that this may happen to you after using this book please contact Dr Warner before taking your next SAT and he will tell you how to protect yourself Beware of other books on the market that claim to be as good as Dr Warner s Other tutors and authors while very intelligent often make a mistake by teaching every student how

to solve problems in the same way They do not understand the philosophy of the test and do not always know how to translate their own genius into points which would fit a specific student's needs depending on his/her math level The 32 Most Effective SAT Math Strategies is perfect for your SAT math prep for 5 reasons 1 Dr Warner realizes that every student learns differently and this is one of the reasons that many problems are solved in several different ways using different strategies Every student will be able to find a solution that is a perfect fit for him/her More advanced students will especially benefit from Dr Warner's approach of providing multiple solutions by helping them develop many methods to solve new problems and to give deeper insight into the problems themselves so that those problems can be solved more quickly more easily and with no chance of making careless errors 2 There are 115 SAT math problems to practice with split into 5 levels and distributed among the 4 general topic areas covered on the test Explanations of the solutions are so thorough and comprehensible that even second language speakers can easily follow them 3 The book is designed to generate huge SAT score increases with only 20 minutes of math preparation each day By arranging the problems by strategy you can easily find the techniques that you need the most practice with The level and topic of each question is clearly indicated so you can pick out the problems that you need to focus on to raise your score without wasting time on problems that are too easy or too difficult for you 4 Dr Warner's teaching methods will naturally increase your mathematical maturity so that your potential score increases simultaneously with your actual score This means that you can actually become capable of getting an 800 even if you were not before picking up the book The information in the introduction alone is enough to raise your SAT math score up to 50 points before you even attempt one math problem 5 Dr Warner has had to teach SAT prep for 14 years to accumulate the powerful combination of insights and strategies found in this book Years of experience a Ph D in math and a unique approach have led to the ultimate product that outdoes any other SAT prep book While other books teach general mathematical knowledge Dr Warner's strategies are designed to exploit the test's weaknesses which allow students to save huge amounts of time avoid careless mistakes and answer questions correctly while avoiding messy algebraic computations whenever possible

SAT Elite 2400 Princeton Review, 2015-01-27 Go beyond the basics for serious SAT preparation The Princeton Review's SAT Elite 2400 is designed specifically for advanced students who already feel confident on the exam but want to push themselves toward that perfect SAT score This book will help you Conquer SAT content with 400 of the toughest practice problems Master effective strategies to beat the test and hit your top score Learn specialized tactics to avoid the trick questions that trap most students Join the ranks of high scorers with a strategic exam approach Train yourself to use alternative approaches that enable you to tackle the hardest questions with confidence Feel confident in your grasp of SAT content with intensive Math Reading and Writing reviews With detailed answers and explanations for each question SAT Elite 2400 will help you take your score into the big leagues say the Ivy league It gives you exclusive tips strategies for tackling the hardest questions on the SAT pacing guidelines push you to a top score and tons of challenging practice material

to help get you into top test taking shape **Rock the Sat Math Test** Vishal Mody,2017-01-14 When studying for an examination the most effective approach is to closely simulate the behavior you ll ultimately be required to perform For the SAT then the most effective strategy to get that 800 will be to simulate the harder questions on the test We have analyzed all 6 released College Board tests every Khan Academy question and talked to many students who have already given the new SAT We then sat down and got to work to develop questions that would be challenging and help the student master the difficult questions These are the questions that separate the 700 scoring student from the 800 scoring student We made sure to not make the questions overly difficult because questions like that are useless Our questions for this book are as close to the difficult questions on the real SAT as possible This is a must have book for any student aiming for the perfect 800 score

SAT 2400 Gary Gruber,2009 Focusing on strategies for handling the toughest questions Gruber s SAT 2400 tackles all three sections of the SAT setting students apart from the competition to get them into great colleges and earn scholarships
