Permission To Parent How To Raise Your Child With Love And Limits:

Permission to Parent MD Berman, Robin, 2014-04-29 Parental anxiety is at an all time high and with parenting styles swinging from attachment parenting to that of Tiger Moms Robin Berman MD inspires mothers and fathers to find a graceful place in the middle Children used to be seen and not heard but now they are at the center of their parents universe Parents today seem skittish about asserting their authority They indulge in their children s demands and tantrums and enter into endless negotiations all for fear of hurting their children s feelings Sadly this indulgence is creating a generation of psychologically fragile individuals and it undermines the very self esteem it seeks to build In between these parenting extremes lies a better way to raise thriving well adjusted children Parents need to know that it is not only OK but essential to be in charge Children with too much power often become anxious and not allowing children to work through negative emotions leads to a lack of resilience later in their lives *Permission to Parent* teaches parents to be comfortable setting boundaries while maintaining a loving connection fostering self esteem respect and emotional maturity Children need limits more than they need indulgences time more than schedules and love more than stuff Robin Berman MD provides the tools for great parenting by drawing from her extensive clinical experience and wisdom collected from seasoned therapists revered teachers and role model parents *Permission to Parent* strikes the perfect balance of advice anecdote and research to be an essential parenting guide

Permission to Parent Robin Berman, MD, 2014-04-29 After being bombarded by parenting fad after parenting fad moms and dads finally have a friendly commonsense guide to raising thriving children Today many parents have rejected the dictatorships they resented from their own childhoods But they overcorrected by turning into child pleasers Showering praise and letting kids rule the roost has actually eroded the very self esteem parents are trying to create Using her clinical experience psychiatrist Robin Berman shows parents how they can take charge while building a loving family with deep connections How children learn love and respect at home becomes the template for how they show love and respect in life It s a huge task but Dr Berman is your ally every step of the way Every parent s struggles are reflected many of them comically but so are heartwarming triumphs Parents teachers and children themselves recount turning points at which they figured out what great parenting looked like and the magic it unlocked This engaging book a perfect mix of medical research and inspirational anecdotes just might be the key to being the parent you want to be and the parent your children need

The C.A.S.T.L.E. Method Donna Tetreault, 2022-06-21 While many parenting strategies focus solely on what affects children the CASTLE Method approaches both parents and children as unique individuals in need of active learning growth love and care because the heart of any castle is the entire family In *The C A S T L E Method* Dr Phil s resident parenting expert Donna Tetreault provides her professional and personal experience in raising children along with the seven foundational evidence based principles that form the CASTLE Method compassion acceptance security trust love expectations plus education This gentle guide simplifies the parent education dilemma by organizing professional research

that can be adapted to any circumstance As you learn the tools you ll need to build a strong foundation you will be empowered to create the best version of yourself your children and your family Your castle will be a place for your children to thrive and feel safe and loved The journey to build your strong family foundation begins now Raising the Perfectly Imperfect Child Boris Vujicic,2016-04-19 You may lack limbs but don t let that define what you can or can t do That s the life changing advice Boris Vujicic spoke to his son Nick who was born without arms or legs With the help of his parents Nick has become an internationally known inspirational speaker a best selling author the founder of the non profit organization Life Without Limbs and most importantly a loving and responsible husband and father himself But Nick s journey didn t start there Raising the Perfectly Imperfect Child is the inspiring powerfully transparent story of how two unprepared and overwhelmed parents Boris and Dushka Vujicic overcame their grief fears and badly shaken faith to raise such an accomplished faith filled and perfectly imperfect son Through their stories Boris offers practical advice and encouragement for all parents facing a new normal when raising a special needs or unique child With tenderness he addresses the spiritual emotional and financial challenges and offers insights on how to equip a child for happiness and success in life Your Guide to Giving Your Child with Special Needs LOVE ROOTS WINGS A Special Rewarding Journey Told from the perspective of a humble father who at times questioned God and his own worthiness this book addresses the unique challenges of raising a special needs child Facing a mountain of doubts and debt the Vujicics feared their son would never be able to get out of bed let alone receive an education support himself or have a family of his own And they questioned how a loving Father in heaven could have allowed this to happen Yet once they gave up their narrow expectations for the perfect child their imperfect son taught them that there are no limits to what a determined faith filled and unstoppable individual can accomplish with the help of supportive parents and a caring God Boris candidly addresses this family s journey as Nick becomes aware of and overcomes the extent of his disabilities as well as bullying despair and suicidal impulses Other challenges included the stress a child with a disability put on their marriage and not neglecting the needs of their other children Overflowing with inspiration and practical advice Raising the Perfectly Imperfect Child helps every parent understand that they can find the strength to give a child what is needed despite the challenges faced And the results include the rewards of a satisfying and joyful spiritual life **Unashamed** Heather Davis Nelson,2016-06-14 Shame is everywhere Whether it s related to relationships body image work difficulties or a secret sin we all experience shame at some point in our lives While shame can manifest itself in different ways fear regret and anger it ultimately points us to our most fundamental need as human beings redemption Shame never disappears in solitude and Heather Davis Nelson invites us to not only be healed of our own shame but also be a part of healing for others She shines the life giving light of the gospel on the things that leave us feeling worthless and rejected giving us courage us to walk out of shame s shadows and offering hope for our bondage to brokenness Through the gospel we discover the only real and lasting antidote to shame exchanging our shame for the righteousness of
