Persians And Other Plays Oxford Worlds Classics:

Persians and Other Plays Aeschylus, 2009-01-08 Classical Greek dramatic poetry and drama **Persians and Other Plays** Aeschylus, 2017 The Plays of Aeschylus A.F. Garvie, 2010-02-25 This book contains essays on the seven surviving tragedies attributed to Aeschylus including Prometheus which is of doubtful authenticity It is intended primarily as a readable introduction for A level students of Classical Civilisation and Ancient History It should be of interest also to students of other disciplines and to the non specialist reader The emphasis throughout is on Aeschylus tragic thinking and on the dramatic structure of the plays A brief concluding chapter attempts to draw together what has been said in the essays on the individual plays The aim of the book is to help readers to understand why Aeschylus is still worth reading or going to see in the theatre in the 21st century and to defend the earlier plays against the view that they are in some respects immature in structure and thought A Dictionary of Classical Greek Quotations Marinus Yeroulanos, 2016-06-30 Only god is truly wise human wisdom is of little or no value declaimed Plato in his Apology And yet the ancient Greeks including Plato himself more than any other people of antiquity were fascinated by the pursuit of the wisdom they called philosophia That search for knowledge involved an extensive use of maxims and quotations as we can see from those expressions of Homer prefaced by the phrase as people say Classical Greek lore and sagacity have throughout history continued to provide inspiration to figures as diverse as the Church Fathers Shakespeare Nietzsche Marx and John F Kennedy Indeed Homer the Seven Sages and the Pre Socratic philosophers are still extensively quoted in all the major western languages while the admired sayings of Heraclitus for instance are known only through his quotations his actual writings having long been lost Yet for all their popularity and ubiquity until now there has been no single resource for these quotations to which interested readers might turn This unique and handsome reference book offers one of the most comprehensive selections of Greek quotations ever committed to print Organised alphabetically with the original Greek followed by an accompanying English translation it collects some 7500 entries ranging from the archaic period to late antiquity and across philosophy drama poetry history science and medicine Containing a full list of translators and of abbreviations its index of key words enables the fast and efficient sourcing of each entry This is a handbook designed for years of pleasurable and profitable browsing Many readers may find that the views expressed twenty centuries ago and now helpfully contained between one set of covers are as pertinent and provocative today as they were then Aeschylus: Persians and Other Plays , 2008-02-28 A new accurate and readable translation of four of Aeschylus plays Persians Seven Against Thebes Suppliants and Prometheus Bound It is based upon the most authoritative recent edition of the Greek text and particular care is taken with the many lyric passages A lengthy introduction sets the plays in their original context and includes short appreciative essays on them The explanatory notes treat dramatic issues structure and form and theatrical aspects as well as details of content and language Major difficulties in the texts themselves which affect general interpretation are briefly discussed The volume as a whole should

provide an informative reliable and suggestive basis for study and enjoyment *Found in Translation* J. Michael Walton, 2006-07-06 In considering the practice and theory of translating Classical Greek plays into English from a theatrical perspective *Found in Translation* first published in 2006 also addresses the wider issues of transferring any piece of theatre from a source into a target language The history of translating classical tragedy and comedy here fully investigated demonstrates how through the ages translators have wittingly or unwittingly appropriated Greek plays and made them reflect socio political concerns of their own era Chapters are devoted to topics including verse and prose mask and non verbal language stage directions and subtext and translating the comic Among the plays discussed as case studies are Aeschylus Agamemnon Sophocles Oedipus Tyrannus and Euripides Medea and Alcestis The book concludes with a consideration of the boundaries between translation and adaptation followed by an appendix of every translation of Greek tragedy and comedy into English from the 1550s to the present day Translation Review ,2008 *New Turkes* Matthew Dimmock, 2017-03-02 Early Modern England was obsessed with the turke Following the first Ottoman siege of Vienna in 1529 the printing presses brought endless prayer sheets pamphlets and books concerning this infidel threat before the public in the vernacular for the first time As this body of knowledge increased stimulated by a potent combination of domestic politics further Ottoman incursions and trade English notions of Islam and of the turke became nuanced in a way that begins to question the rigid assumptions of traditional critical enquiry *New Turkes Dramatizing Islam and the Ottomans in Early Modern England* explores the ways in which print culture helped define and promulgate a European construction of Turkishness that was nebulous and ever shifting By placing in context the developing encounters between the Ottoman and Christian worlds it shows how ongoing engagements reflected the nature of the Turke in sixteenth century English literature By offering readings of texts by artists poets and playwrights especially canonical figures like Kyd Marlowe and Shakespeare a bewildering variety of approaches to Islam and the turke is revealed fundamentally questioning any dominant defining narrative of otherness In so doing this book demonstrates how continuing English encounters both real and fictional with Muslims complicated the notion of the Turke It also shows how the Anglo Ottoman relationship which was at its peak in the mid 1590s was viewed with suspicion by Catholic Europe particularly the apparent ritual and devotional similarities between England's reformed church and Islam That the new turkes were not Ottoman Muslims but English Protestants serves as a timely riposte to the decisive rhetoric of contemporary conflicts and modern scholarly assumption *A.L.A. Catalog*, 1926 Isabella Mitchell Cooper, Marion Horton, 1926 Guide to Reprints ,2009 Saturday Review of Literature ,1933 Paperbound Books in Print ,1992 **The Cambridge Review** ,1907 **The Oxford Companion to the Theatre** Phyllis Hartnoll, 1983 Seeking to provide a survey of the development of the theatre from its beginnings in primitive ritual to the present day in all countries that have a continuing theatrical tradition this edition offers information on contemporary writers directors plays companies and theatres both metropolitan and regional Entries dealing with technical subjects

emphasize the historical perspective and are illustrated when necessary Other illustrations are placed in thematically arranged groups and function independent of the text showing the changes of vision in theatrical production over the past 2000 years ISBN 0 19 211546 4 49 95 *Chicorel Theater Index to Plays in Anthologies, Periodicals, Discs, and Tapes* Marietta Chicorel,1970 **Classical Weekly** ,1952 **The Classical Weekly** ,1956 **Books in Print** ,1987 *The Classical Review* ,1922 This companion to the Classical Quarterly contains reviews of new work dealing with the literatures and civilizations of ancient Greece and Rome Over 300 books are reviewed each year *A.L.A. Catalog* American Library Association,1926
