Persius And Juvenal Oxford Readings In Classical Studies:

Persius and Juvenal Maria Plaza, 2009-08-06 The last decades have seen a lively interest in Roman verse satire and this collection of essays introduces the reader to the best of modern critical writing on Persius and Juvenal All Latin quotations are also given in English while a specially written Introduction provides a useful conspectus of recent scholarship

Lucan's Imperial World Laura Zientek, Mark Thorne, 2020-02-06 These new essays comprise the first collective study of Lucan and his epic poem that focuses specifically on points of contact between his text and the cultural literary and historical environments in which he lived and wrote The *Bellum Civile* Lucan's poetic narrative of the monumental civil war between Julius Caesar and Pompey Magnus explores the violent foundations of the Roman principate and the Julio-Claudian dynasty The poem composed more than a century later during the reign of Nero thus recalls the past while being very much a product of its time This volume offers innovative readings that seek to interpret Lucan's epic in terms of the contemporary politics philosophy literature rhetoric geography and cultural memory of the author's lifetime In doing so these studies illuminate how approaching Lucan and his text in light of their contemporary environments enriches our understanding of author text and context individually and in conversation with each other Juvenal's Tenth Satire Professor Paul

Murgatroyd, 2017-12-08 This is not a commentary on Juvenal Satire 10 but a critical appreciation of the poem which examines it on its own and in context and tries to make it come alive as a piece of literature offering one man's close reading of Satire 10 as poetry and concerned with literary criticism rather than philological minutiae In line with the recent broadening of insight into Juvenal's writing this book often addresses the issues of distortion and problematizing and covers style sound and diction as well Much time is also devoted to intertextuality and to humour wit and irony Building on the work of scholars like Martyn Jenkyns and Schmitz who see in Juvenal a consistently skilful and sophisticated author this is a whole book demonstrating a high level of expertise on Juvenal's part sustained throughout a long poem rather than intermittent flashes This investigation of 10 leads to the conclusion that Juvenal is an accomplished poet and provocative satirist a writer with real focus who makes every word count and a final chapter exploring Satires 11 and 12 confirms that assessment Translation of the Latin and explanation of references are included so that Classics students will find the book easier to use and it will also be accessible to scholars and students interested in satire outside of Classics departments **Urban**

Disasters and the Roman Imagination Virginia M. Closs, Elizabeth Keitel, 2020-09-21 This book affords new perspectives on urban disasters in the ancient Roman context attending not just to the material and historical realities of such events but also to the imaginary and literary possibilities offered by urban disaster as a figure of thought Existential threats to the ancient city took many forms including military invasions natural disasters public health crises and gradual systemic collapses brought on by political or economic factors In Roman cities the memory of such events left lasting imprints on the city in psychological as well as in material terms Individual chapters explore historical disasters and their commemoration

but others also consider of the effect of anticipated and imagined catastrophes They analyze the destruction of cities both as a threat to be forestalled and as a potentially regenerative agent of change and the ways in which destroyed cities are revisited and in a sense rebuilt in literary and social memory The contributors to this volume seek to explore the Roman conception of disaster in terms that are not exclusively literary or historical Instead they explore the connections between and among various elements in the assemblage of experiences texts and traditions touching upon the theme of urban disasters in the Roman world

The Arena of Satire David H. J. Larmour, 2016-01-04 In this first comprehensive reading of Juvenal's satires in more than fifty years David H J Larmour deftly revises and sharpens our understanding of the second century Roman writer who stands as the archetype for all later practitioners of the satirist's art The enduring attraction of Juvenal's satires is twofold they not only introduce the character of the angry satirist but also offer vivid descriptions of everyday life in Rome at the height of the Empire In Larmour's interpretation these two elements are inextricably linked The Arena of Satire presents the satirist as flaneur traversing the streets of Rome in search of its authentic core those distinctly Roman virtues that have disappeared amid the corruption of the age What the vengeful punishing satirist does to his victims as Larmour shows echoes what the Roman state did to outcasts and criminals in the arena of the Colosseum The fact that the arena was the most prominent building in the city and is mentioned frequently by Juvenal makes it an ideal lens through which to examine the spectacular and punishing characteristics of Roman satire And the fact that Juvenal undertakes his search for the uncorrupted authentic Rome within the very buildings and landmarks that make up the actual corrupt Rome of his day gives his sixteen satires their uniquely paradoxical and contradictory nature Larmour's exploration of the arena of satire guides us through Juvenal's search for the true Rome winding from one poem to the next He combines close readings of passages from individual satires with discussions of Juvenal's representation of Roman space and topography the nature of the arena experience and the network of connections among the satirist the gladiator and the editor or producer of Colosseum entertainments The Arena of Satire also offers a new definition of Juvenalian satire as a particular form arising from the intersection of the body and the urban landscape a form whose defining features survive in the works of several later satirists from Jonathan Swift and Evelyn Waugh to contemporary writers such as Russian novelist Victor Pelevin and Irish dramatist Martin McDonagh

Roman Satire Jennifer Ferriss-Hill, 2022-06-13 How do you insert yourself into an artistic canon How do you establish yourself as a worthy successor to your predecessors while making your own mark on a genre How do you police a genre's boundaries to keep out the unwanted With particular attention to authorial and national identity artistic self definition and literary reception this volume shows how four ancient Latin poets Lucilius Horace Persius and Juvenal asked and answered these questions between the second century BCE and the second century CE as they invented and reinvented the genre of Roman verse Satire

Horace Paul Allen Miller, 2018-12-18 Perhaps no classical writer has been so consistently in vogue as Horace Famous in his own lifetime as a close associate of the Emperor Octavian

to whom he dedicated several odes Quintus Horatius Flaccus 65 8 BC has never really been out of fashion Petrarch for example modelled his letters on Horace s innovative Epistles while also borrowing from his Roman forebear in composing his own Italian sonnets The echo of Horace s voice can be found in almost every genre of medieval literature And in later periods this influence and popularity if anything increased Yet as Paul Allen Miller shows while Horace may justifiably be called the poet for all seasons he is also in the end an enigma His elusive ironic contrariness is perhaps the true secret of his success A cultured man of letters he fought on the losing side of the Battle of Philippi 42 BC A staunch Republican he ended up eagerly some said too eagerly promoting the cause of Julio Claudian imperialism Viewed as the acme of Roman literary civilization he was shaped by his Athens education at Plato s famous Academy This new introduction reveals Horace in all his paradoxical genius and complexity

Lucretian Receptions in Prose George Kazantzidis,2024-09-02 The examination of Lucretian reception in Latin poetry has been served well by scholars Lucretius presence in later prose writers on the other hand is a topic that warrants more investigation Susanne Gatzemeier s 2013 monograph *Ut ait Lucretius Die Lukrezrezeption in der lateinischen Prosa bis Laktanz* is an invaluable contribution to the topic but by no means exhaustive either in terms of the potential intertextualities it traces or in terms of its interpretive methods and insights At the same time recent studies implicate Lucretius name in discussions of prose writers who were not that often thought in the past to have engaged with the *De Rerum Natura* in an active way Caesar and Livy but also Vitruvius and Tacitus are some good examples The present volume taps into this discussion and broadens further our understanding of Lucretian reception in prose writers including Cicero Celsus Seneca the Younger Quintilian Pliny the Younger Plutarch and Lactantius Building on the vast scholarship on the significance of Lucretius as a model for later poets the volume sheds new light on the *De Rerum Natura* s afterlife by looking at its presence in philosophical prose medical writing oratory epistolary writing and Christian theology *The Year's Work in Classical Studies* ,1913 **The Year's Work in Classical Studies ...** Classical Association (Great Britain),1913 **The British National Bibliography** Arthur James Wells,2009 *Cornell Studies in Classical Philology* ,1964 *Columbia University Bulletin* Columbia University,1926 **The Johns Hopkins University Circular** Johns Hopkins University,1903 Includes University catalogues President s report Financial report registers announcement material etc *The Classical Review* ,1924 **A classified catalogue of ... education works in use in the United Kingdom and its dependencies** United Kingdom,1887 *Oxford and Cambridge undergraduate's journal* ,1873 **Announcement of the Departments of Classical Philology and Indo-Iranian Languages** Harvard University,1904 [Athenaeum and Literary Chronicle](#) James Silk Buckingham,John Sterling,Frederick Denison Maurice,Henry Stebbing,Charles Wentworth Dilke,Thomas Kibble Hervey,William Hepworth Dixon,Norman Maccoll,Vernon Horace Rendall,John Middleton Murry,1870 **Announcement** Columbia University. web mar 5 2020 multiple recent studies focusing on glycosylation in microalgae have revealed unique species specific patterns absent in humans glycosylation is particularly important for protein function and is directly responsible for recombinant biopharmaceutical immunogenicity

glycosylation engineering of biopharmaceuticals m - Sep 22 2021

web glycosylation engineering of biopharmaceuticals m is universally compatible like any devices to read modern biopharmaceuticals jörg knäblein 2013 05 07 this

full article review of glycosylation engineering of - Mar 09 2023

web jul 3 2013 as the title suggests glycosylation engineering of biopharmaceuticals methods and protocols provides comprehensive state of the art protocols delivered by

glycosylation engineering essentials of glycobiology ncbi - Nov 05 2022

web the commercial demand for glycosylation engineering is broad including production of biological therapeutics with defined glycosylation glycans can also serve as

review of glycosylation engineering of biopharmaceuticals - Jun 12 2023

web sep 1 2013 in part i case studies for glyco engineering of o and n linked glycans in chinese hamster ovary cho pichia saccharomyces cerevisiae and baculovirus are

glycosylation engineering of biopharmaceuticals methods and - Aug 02 2022

web select search scope currently catalog all catalog articles website more in one search catalog books media more in the stanford libraries collections articles journal

glycosylation engineering of biopharmaceuticals springer - Jul 13 2023

web presents detailed protocols on the production and characterization of glycoproteins and glyco engineered biopharmaceuticals contains a special focus on monoclonal

strategies to control therapeutic antibody glycosylation during - Oct 24 2021

web feb 19 2022 out of all known posttranslational modifications glycosylation has one of the most significant impacts on therapeutic antibody pharmacokinetics boune et al 2020 glycosylation of antibodies changes as a result of aging immune events such as infections and environmental factors

glyco engineering for biopharmaceutical production in moss - Dec 26 2021

web jul 9 2014 the presence and quality of glycosylation plays a crucial role for the pharmacological properties of a therapeutic protein by influencing protein folding and

glycosylation latest research and news nature - Nov 24 2021

web aug 28 2023 glycosylation comes in five forms n linked o linked and phospho serine glycosylation as well as c mannosylation and glypation addition of
