The Future of Individual Tax Rates United States. Congress. Senate. Committee on Finance, 2010 **Canada-U.S. Tax Comparisons** John B. Shoven, John Whalley, 2007-12-01 In the increasingly global economy domestic tax policies have taken on a new importance for international economics This unique volume compares the tax reform experiences of Canada and the United States two countries with the world s largest bilateral flow of trade and investment With the signing of the U S Canada Free Trade Agreement and the tax reforms of the 1980s there has been some harmonization of tax systems But geographic cultural and political characteristics shape distinct national social policies that may impede harmonization As the U S and Canadian economies become even more integrated differences in tax systems will have important effects in particular on the relative rates of economic growth In this timely study scholars from both countries show that while the United States and Canada exhibit similar corporate tax structures and income tax systems they have very different approaches to sales tax and social security taxes Despite these differences the two countries generate roughly the same amounts of revenue produce similar costs of capital and produce comparable distributions of income The Oxford Handbook of State and Local Government Finance Robert D. Ebel, John E. Petersen, 2012-03-21 This handbook evaluates the persistent problems in the fiscal systems of state and local governments and what can be done to solve them Each chapter provides a description of the discipline area examines major developments in policy practices and research and opines on future prospects **Effective Federal Tax Rates 1979-1997** , 2001 *Cities Ranked & Rated* Bert Sperling, Peter J.
