The Mitten

Adapted from A Folk Tale from Ukraine by E. Shuster

It was the coldest day of the year, and heavy snow had fallen during the night. Baba needed more firewood to keep warm in her little cottage, so Old Grandfather and his dog went out to gather some in the woods.

Before long, a frog came hopping by and stopped to look. "Who is in there?" he called. "I am," said Mouse from his new home. "Who are you?" "I am Frog, that's who. I'm so cold. Will you let me in?" "No," said Mouse. "Mouse made room."

After a while, a snowshoe rabbit came hopping by and stopped to look at the mitten. "Who lives in this mitten?"

Understanding Fiction: Folk Tale

A folk tale is an old story that was told over and over before it was written down. Look for these things in a folk tale:

- It has an object that is magical, such as a magic lamp.
- The story is about everyday life.
- It has a pattern.
- The characters are animals that talk like people do.

Write your answers to the questions about the folk tale.

1. What object in this story is magical?
2. In everyday life, people sometimes lose something, such as a mitten. What other thing did Old Grandfather do that was part of everyday life?
3. One by one, the animals went into the mitten to keep warm. If you drew the animals in story order, what pattern would you see?
